

CBSE, in collaboration with Intel, is organising the 'AI For Youth' Virtual Symposium from October 13-17, 2020.

During the symposium a Guinness World Records™ attempt is going to be made for 'Most users to take an online Artificial Intelligence lesson in 24 hours' on October 13 &14, 2020

Yes – an official Guinness World Records™ attempt! This is first of its kind record and never been attempted before and once we get it right India may become the first country to hold it. And **YOU** can be instrumental in getting this record for our country.

All you need to do to become part of this historic moment is:

- **Anyone of any age can participate**
- Register now at <https://bit.ly/aivs2020>
- Login anytime between 3pm Tuesday, October 13 – 2pm Wednesday, October 14 using your registered email id at www.aiforyouth.org
- Click on **Guinness World Records™ attempt** button on the screen
- A lesson about Artificial Intelligence lesson will open up - read it and answer simple questions
- Make sure you finish the lesson only by clicking the **Finish Lesson** button
- It's important for each participant to stay in the lesson for **more than 30 minutes** and complete all activities to set the record

May we invite you and your student to attend the symposium, participate in the official Guinness World Records™ attempt and help create history for India.
