COMMON ENTRANCE EXAMINATION [CEE] 2014

The Regional Institutes of Education of NCERT, located in Ajmer, Bhopal, Bhubaneshwar and Mysore offer admission to 4-year integrated B.Sc, B.Ed & B.Sc.Ed programmes for the academic session 2014-2015.

Scope of the course: The 4-year innovative course is based on the latest research and developments in the field of education. Student -teachers will benefit from a curriculum which provides up to date theoretical knowledge, professional and communicative skills development. The RIE's comprehensive scheme of study equips student-teachers with the knowledge foundation, know-how and confidence to function effectively and efficiently in today's knowledge-driven classrooms. This gives them a distinct advantage during interviews for selection to fill teaching posts by the Kendriya Vidyalaya Sangathan and, well-reputed and established schools across the country.

Process: Application for the course is Online & Off-line. For submission of application go to: www.ncert.nic.in or www.rieajmer.ac.in . For further clarifications, call : [0145] 2990140/2644630.

Eligibility: Candidates from all States & UTs of India. SC/ST & 50% of remaining students are awarded a scholarship as per NCERT norms.

Note: Separate on-campus hostel facility (Boys & Girls) is available in all centres.

Teaching is more than just a job. It's a calling.

Teachers mould the future each day in class.

Teaching gives you a positive attitude.

Teaching gives an individual with room to be creative and autonomous each day.

Teachers are lifelong learners who relish the chance to grow and evolve.

The greatest asset you bring to the classroom each day is your own unique personality.

Good, trained teachers are a scarce commodity, and are in great demand.
