Subject: Entrepreneurship-(066) Class XII (Revised w.e.f. 2014-15).

Dear Principal,

In the current climate of economic changes, influenced by explosive knowledge creation and exponential technology growth, the need to modify and infuse changes is a necessary step in the upgradation and updation of the existing Entrepreneurship curriculum. It is even more required so as to bring it at par with the other competency skill based academic disciplines in rigour and content. We are happy to share with you that the revised, Entrepreneurship Class XI textbook was well received.

The revised edition of Entrepreneurship Class XII textbook incorporates new chapters that introduce students to market dynamics and encourage their latent entrepreneurial skills through project work. The revision aims at providing some more background information, case studies, activities and new templates to help the students attain a better understanding of higher-order concepts that are being dealt with in greater depth in the syllabus of class XII.

The revised text is being uploaded at www.cbseacademic.in/publications and its hard copy in the form of a book will be available within seven working days. Please feel free to contact Mr. Sandeep Sethi (Education Officer) for any further enquiry at 011-23217128 or e-mail at touchsandeep.sethi@gmail.com.
