

Notification

Dear Readers,

The final day is here! We have received an overwhelming response for this absolutely wonderful initiative where students have begun to write and have poured their heart out. There have been more than 2000 responses received on most days.

Congratulations to each student who has participated and for those who have been selected as one of the 68 winners every day. A well-deserved pat on the back! The winners who are going to be selected on the final day by a panel of experts will be declared on 12th August and they will be felicitated by the Honorable Minister on the 14th of August at Vigyan Bhawan. Six of these winners have come through your votes. Your vote has made all the difference to the writers.

Eight winners have been selected out of these 68 by a panel of experts and finally reviewed by a special committee. The peer rating was used for selection of the other six so that popular choice also has a place in the glory of final selection.

We wish all the winners today the very best of luck and hope to see you again in another CBSE Writing Series!

Good Luck!

CBSE Team
