Availability of class-wise learning indicators on CBSE Academic website

Dear Principal,

As you are aware, NCERT had brought out class-wise learning indicators in January, 2014. These indicators were prepared by NCERT after extensive consultation with the State Governments. These indicators were circulated to the States for adoption/adaptation in February, 2014 with a request to widely disseminate and use these indicators.

The learning indicators are important benchmarks for assessing learning levels of students. They not only help teachers but also parents and stakeholders to gauge the learning level of the child. It is, therefore, necessary that these learning levels are easily available to teachers, parents and those interested in school education.

For the benefit of all stakeholders, the **link to these learning indicators** is being put on the website of CBSE Academics (www.cbseacademic.in) under the tab 'Academic resources'.

You are requested to ensure that these learning indicators are available in your school and are prominently displayed so that parents are aware of these class-wise learning levels.
