It is widely acknowledged that enhancing teacher quality is a key element in improving school education and promoting students development. Therefore, Systematic in-service training of teachers should be of paramount importance in all schools. This will help in bringing qualitative change in the attitude of teachers. Hence, it is mandated that the schools affiliated with the Board should organize such capacity building training programme for all its teachers at least once every year in association with teachers training institutes recognized by the State or Central Government or the Board itself or the Centres of Excellence of the Board.

The Act further at Section 7(6)(b) stipulates that the **“Central govt should develop and enforce standard for training of teachers”**. In compliance to the above provisions, the CBSE vide amended Rule 3.3(h)(vi) of Affiliation Bye-Laws stipulated that :-

“Every school should organize at least one week training programme for teachers every year in association with any teachers training institute recognized by the State or Central Government or by any agency identified by the Board”.
