**Subject:** [www.scienceindia.in](http://www.scienceindia.in) – Virtual Science Portal for students

This is to inform you that DST – National Council for Science & Technology Communication, Vijnana Bharati and CSIR – Indian Institute of Chemical Technology, Hyderabad have created a unique Virtual Science Portal – [www.scienceindia.in](http://www.scienceindia.in) for creating affinity towards science among school students. Its Mentorship programme connects students with scientists and academicians from CSIR, DRDO, ISRO etc. and facilitates sharing of ideas and thoughts through discussions and interactions. Moreover Science India Portal offers opportunity for students to write and publish articles and blogs on science which is reviewed by a high level editorial board comprising distinguished senior scientists and academicians.

The registration process is entirely online and void of any cost to the school/ student. It is essential for the school to register first. Then using the auto generated 'Unique School Registration Code', which needs to be displayed in the school noticeboard, students can register and start using the facilities of Science India Portal. It should be noted that a valid mobile number and email id is required for each school and every students for registering in the portal.

There is no upper limit for maximum number of students, but priority should be given to students of class 8 to 12 in the portal. Registration of students should be planned in a phase wise manner.

The detailed procedures explaining registration of schools and student sign up can be read at the FAQ section of the portal at [www.scienceindia.in/home/faq](http://www.scienceindia.in/home/faq)

  
(Dr. Sanyam Bhardwaj)  
Director (Academics)
