All Heads of Schools affiliated to CBSE
Under Independent Category of Schools

Sub: CBSE Inter-School Sports & Games Competitions (2019-20)

Sports activities help students to stay healthy and fit contributing to overall wellbeing. The Board has been conducting sports events for the schools affiliated under independent category. The sports events are organized at Cluster/ Zonal and National level every year in various age-groups for boys and girls. An online system has been introduced for inviting proposals for hosting sports events and for applying to participate in sports events. Accordingly, the following may be noted:

- 1. List of Games, Age Groups and Clusters/ Regions:** The listed 24 games, Age-groups at Cluster/ Zonal and National level are given in Annexure - A & B.
- 2. Online Proposal by Schools for Organizing Sports Events:** Schools wishing to host any of the competitions at Cluster/ Zonal or National Level, may apply online on CBSE website www.cbse.nic.in or www.cbsegames.in before last date. Offline entry shall NOT be accepted. The link "Apply to Organize" may be clicked for filling online form. Username and Password will be same as used by the schools in previous years. The schools must ensure that they have all the facilities befitting to organize the sports events, preferably as per specifications of infrastructure, available on website of SAI (Sports Authority of India) at the link: http://www.sportsauthorityofindia.nic.in/index1.asp?ls_id=1171. The schools must upload a 3-5 minutes video on Youtube showing playground(s) of game which the school wants to organize alongwith accommodation facilities and washrooms. The url link of the video uploaded on Youtube should be pasted in the online application form.
- 3. Online Registration of Players for Participation in CBSE Sports Events:** Schools intending to sponsor their students/ teams for participation in CBSE sports events should visit CBSE website www.cbse.nic.in or www.cbsegames.in and complete the following three steps:
 - a) Registration:** The schools may register their students online by filling the online form available at above mentioned link by clicking "Register Student". A UID is created for every student. This registration is to be done once only and the same UID of student will continue for the coming years till he/ she studies in CBSE schools. If any student already has UID of previous year(s), then this step of Registration is **not** to be done again for that student, and the UID of previous year(s) is to be used to complete the second step as mentioned below.
 - b) Apply to Participate:** After registering student, click "Apply to Participate", to put the student in any game(s). This step is mandatory to participate in CBSE games. If only registration is done and this step (*Apply to Participate*) is not completed, the student/ team will not be allowed to participate in CBSE games.

It may be noted that for new students; both the steps (*Register a Student* and *Apply to Participate*) are mandatory. However, for those students who were registered in previous years, only the 2nd step (*Apply to Participate*) is required. Their previous year's Registration Number (UID) will be used for this year also.
 - c) Send Confirmation to Organizing School(s):** After completing both the above steps (*Register Student* and *Apply to Participate*), the participating schools should send email to the organizing school(s) for confirmation of their participation at least one week prior to the event, so that the organizing schools may make arrangements accordingly.

Note: The schools not completing the above steps (a to c) before last date, will not be able to participate in CBSE games.
