Subject: Launching of Online Teacher Training Course on Multi Skill Foundation Course

The National Education Policy (NEP) 2020 emphasizes the need to shift from rote learning to competency-based learning approach to ensure proficiency in learning by students in dealing with real life situations. Multi Skill Foundation Course (MSFC) allows weaving of skill education with mainstream subjects and encourages learning with real life experimentation.

Multi Skill Foundation Course (MSFC) was approved as one of the job roles by the Ministry of Human Resources Development (MHRD) in 2018. Subsequently, the course was adopted by CBSE as one of the skill subjects at secondary level.

In order to promote Multi Skill Foundation Course and to provide training to the teachers, CBSE in association with Lend-a-Hand organization has developed an online teacher learning and assessment module on basics of 'Multi Skill Foundation Course' for the teachers. This course shall be available from June 29, 2020 to July 8, 2020 and can be accessed using the links (mentioned in the annexure). This course has been developed with an aim to create and make learning multi-sensory, joyful, reflective and multidisciplinary. **Registration is mandatory for attending this course. Please register using the link mentioned below.**

Please follow the below mentioned instructions before starting the course:

1. There are 3 parts of Basic level, Multi Skill Foundation Training Course, namely:
 - a. **Module 1 on Technical Section:** Workshop & Engineering Techniques and Energy & Environment
 - b. **Module 2 on Life Sciences Section:** Gardening, Nursery & Agriculture techniques and Food Processing Techniques
 - c. **Module 3 on Employability Skills and Vocational Pedagogy**
2. All three modules are **compulsory**
3. **For every module, an online orientation will be organized** for the teachers to give them overview of the content and how to use these course links.
4. After orientation session, **48 hours will be given for completion of the respective module**, and after that, assessment will be conducted on that module.
5. **Before starting, participants must register themselves on the link mentioned below.** Without registration, the participants will not get access to the orientation session, training links or assessments. Registration link will remain open till **27th June 2020**.
6. The **email id and mobile number** used for registration, will have to be used for trainings and assessments, **otherwise the assessment results will not be valid.**
7. For each module, the **assessment links** are shared, the **assessment link will remain open for 12 hours as per schedule given below(in the table).**
8. You can take assessment only once by using registered email id; **minimum 50% marks are required for passing in all three modules**
9. Assessment will be based on the content covered in the training modules.
