Launched on 19th May' 2025, these modules have numerous activities and age -appropriate content that instil pride in the students towards the rich cultural heritage of our country. Content of these modules has been thoughtfully designed to be interactive and engaging for appropriate age levels. It includes graphics, photographs, illustrations, suggestive activities, challenging questions and more.

These modules cater to students across the stages of school education, spanning from grades 1 to 12. They have been created with a mindful approach towards the relevance of themes for different stages. The modules feature stories, cases, quiz questions and activities, all designed to motivate self-paced learning among students and encourage teachers to guide their students through the suggested pedagogy of experiential learning. Launching of the Special Module reflects India's belief in "language as cultural identity" and "education as empowerment."
