Subject: CBSE Games (2026-27) – reg.

CBSE organizes sports events at Cluster/ Zonal and National levels for students of its affiliated schools every year in various age-groups for girls and boys separately. The Board invites proposals from its affiliated schools to organize CBSE Games, and also for 'applying to participate' in CBSE Games through online portal. Following may be noted in this regard:

- List of Games, Age-Groups and Clusters/ Zones:** The list of games alongwith age-groups at Cluster/ Zonal and National levels are given in Annexure - A & B. The schools are advised to go through the same to see updations.
- Online Proposal by Schools for Organizing Games:** Schools wishing to organize any of the games at Cluster/ Zonal or National Levels, may apply online on CBSE website www.cbse.gov.in (click on the box named 'CBSE SPORTS SYSTEM' on main website) or at www.cbseacademic.nic.in (click on tab 'Sports').
 - No proposal shall be accepted offline/ manually.
 - The link '**Apply to Organize CBSE Games**' may be clicked to fill the online form. Username and Password will be the same as used by the schools for LOC or registration of students for classes IX/X/XI/XII every year.
 - The school must ensure that they have all the facilities necessary to organize the sports events, preferably as per specifications of infrastructure, available on the website of SAI (Sports Authority of India) at the link: https://sportsauthorityofindia.nic.in/sai_new/infrastructure
 - The school must upload a **3-5 minutes video on YouTube** showing the playground(s) of the game that the school wants to organize alongwith accommodation facilities and washrooms for ample number of participants. The URL link of the video uploaded on YouTube should be pasted into the online application form.
- Online Registration of Players for Participation in CBSE Games:** Schools intending to participate in CBSE Games should visit the CBSE website (*as mentioned in point 2 above*) and complete the following 3 steps:

a) **Step 1 - Registration:**

- The schools may register their students online by filling the form available at the above-mentioned link by clicking '**Registration/ Apply to Participate**'.

b) Step 2 - Apply to Participate:

- After registering the student, click '**Apply to Participate**', to put the student in any game(s). This step is mandatory to participate in CBSE Games.
- If only registration is done and this step 2 (*Apply to Participate*) is not completed, the student/ team will not be allowed to participate in CBSE Games.

c) Step 3 - Send Confirmation to Organizing School(s):

- After completing both the above-mentioned steps (*Register Student* & *Apply to Participate*), the participating schools should send email to the organizing schools confirming their participation at least **one week prior to the event**, so that the organizing schools may make arrangements accordingly.

Note: The schools not completing the above steps (a to c) before the last date, will not be able to participate in CBSE Games.

4. Selection-Trials: It has been observed in the past that some good players were not given chance by their schools to participate in CBSE Games. Therefore, the schools are advised to conduct selection-trials for selection of best players to represent the school in CBSE Games. For this purpose, following may be noted:

- a) Selection-trials should be conducted before applying to participate in CBSE Games.
- b) A committee should be constituted for conducting selection-trials in the school.
- c) The school should not deny any student to participate in selection-trials.
- d) The school should keep record of the selection-trials and photos of the selection-trials.
- e) CBSE may conduct Surprise Inspection of the school to ensure that talented players are being given chance to participate in CBSE Games.

5. How to Login: The schools may use the same Username and Password as used for LOC or registration of students of classes IX/ X/ XI/ XII every year.

6. Mapping of School: After login, if boxes of Cluster and Zone (on top of the screen) appear blank, this means the school is not mapped in any cluster/ zone, and the organizing schools will not be able to see the entries of that particular school. In this case, schools should report the same at manjit.cbse@gmail.com and cbsegames@gmail.com

7. Correct Data Entry: Schools should enter correct details of participants i.e. name, date of birth, game, event etc. In case of incorrect entry, the same may be edited or deleted, and fresh registration may be done before the last date. However, in case of any corrections (after the last date), the schools should send a request to CBSE from their official email address (@cbseshiksha.in) at manjit.cbse@gmail.com and cbsegames@gmail.com mentioning all details of the case, and attaching date of birth certificate and UDISE data of the player (*screenshot of UDISE portal showing record of that particular player*).

8. Entry with 'Late Fee' after the Last Date: Late fee will be charged for registration and 'applying to participate' after the last date:

- Upto 7 days after the last date = Rs. 500/- per student
- 8 to 14 days after the last date = Rs. 1000/- per student

9. Age-Criteria: A player shall be under 11, 14, 17, & 19 years of age as of 31.12.2026. Accordingly, for session 2026-27, the age criteria will be as follows:

- Under 11 years: Born on or after 01.01.2016
- Under 14 years: Born on or after 01.01.2013
- Under 17 years: Born on or after 01.01.2010
- Under 19 years: Born on or after 01.01.2008

Similarly, age may be calculated for other age-groups.
