<p><b>Aanchal was an avid traveler, she had just come back from a 15 day trek to the base camp of Mt. Everest .She had to attend her best friend's wedding and wanted to look all dolled up. Her eyebrows looked unkempt and she wanted something long lasting but was too scared to bear the pain of laser hair removal. Her friend recommended her to get a facial waxing done. Aanchal had a sensitive skin and went to the salon a day in advance to get a sensitivity test done .Next day she went to the salon to get a few beauty services done. After travelling on foot for 15 days straight her feet were in dire need of a pedicure. She had a heart-shaped face so the beauty therapist advised her to get round brows with softer peaks as it would accentuate her face. After treating herself to a few beauty services in the salon Aanchal looked rejuvenated.</b></p>
