“ANALYSIS OF EVIDENCE OF ASSESSMENT, TERM-II, 2012-13” ONLINE STATUS UPDATING SYSTEM

CBSE has initiated the process of collecting and analysing evidences of assessment for Term-II, October, 2012 to March, 2013. The schools have been sending the required evidences to the respective Nodal centres for analysis work. In order to provide them with updated information on the status of their evidences sent such as their receipt, analysis, etc, an online status updating facility has been created.

The schools selected for sending Term-II evidences are requested to click on the following link: <http://49.50.126.244/eoa/status.asp> and login after entering their School Code No. to know whether their evidences have been received at the nodal centre or not and whether the evidences have been analysed. The schools are also provided the facility to download their feedback reports. An online form has also been developed where the schools can provide their observations/ comments.
