TRAINING OF TEACHERS FOR OLABS (ONLINE LABS)

The Department of Electronics and Information Technology (DeitY) is planning to execute a project on “**PAN India Content Delivery Network (CDN) for e-Learning: OLabs**” through ERNET India. In this project, Online Lab Experiments of Science and Mathematics of Secondary & Higher Secondary level, will be available on ERNET’s CDN Network 24X7 throughout the country.

To understand these OLabs (*Online Labs-Virtual Experiments*) ERNET will provide one day training free of cost to teachers of all the CBSE affiliated schools region wise in two phases. In the first phase, ERNET will train master trainers (about 1,250) who will give training to other teachers in second phase. Two teachers per school will be trained and a total of 30,000 teachers will be trained.

The training itself is free of cost. TA/DA of the teachers may be taken care of by the schools themselves. But the traveling/boarding and lodging expenses and suitable honorarium of the Master Trainers who will be training other teachers of all CBSE schools in second phase will be taken care of by ERNET India.

You are requested to fill the online nomination form for two teachers from your school as Master Trainers.
