CBSE-TERI 'GREEN Olympiad' - 2014

'The Energy and Resources Institute (TERI)' has been conducting 'GREEN Olympiad' project in India and abroad for students of classes VIII to X since 1999 which addresses the need for networking amongst the schools. This exam is conducted by 'Educating Youth for Sustainable Development Division' of TERI. Participation in the 'GREEN Olympiad' Olympiad is an excellent opportunity for students to put to test their Environmental Quotient.

Questions in this Olympiad are woven around environment issues, with direct linkages to the school curriculum which assesses the environment related sensitivity of the students. This effort (of TERI) aligns well with the existing school curriculum on one side and the spirit of CCE initiated by the Board on the other.
