NOTIFICATION

The Central Board of Secondary Education has been directed to raise awareness among students about the risks involved in playing with firecrackers without taking proper precautions. In this regard, School Heads are requested to conduct the suggested events/activities to address the issue.

- ✚ Poster drawing, demonstrations through skits / *nukkad natak*, essay writing, Powerpoint presentations, slogan writing etc as regular activities / inter-house competitions
- ✚ Teachers and students may also take turns to address the school during assembly from time to time about the risks and injuries caused by fireworks, safety tips and exercising restraint in their use
