Subject: Booklet on Cyber Safety and Security by CIET-NCERT

Cyber Safety is the safe and responsible use of information and communication technology. It is not just about keeping information safe and secure, but also about being responsible with that information, being respectful of other people online, and practising good 'netiquette' (internet etiquette). Schools play a key role in promoting internet safety. CIET, NCERT, New Delhi has developed booklets on Cyber safety and Security for teachers, students and schools which are available on the following link:
