Notice

Sub.: Workshops to provide crucial inputs for the development of Objective Type Question in all major subjects at senior secondary level.

CBSE is going to organize a series of workshops at Jaipur to orient teachers on subtleties of preparing Objective Types Questions in fourteen major subjects of class XII. Objective Types Questions include Multiple Choice Type, Multiple Response Type, Matching questions, Fill in the blanks, Ranking questions, Sequencing questions and Reason Assertion type etc. These questions preclude the subjectivity of evaluator and also consume less time of both students as well as evaluator. The workshops would not only provide teachers an opportunity to learn to prepare these questions but it, at the same time, present them an occasion to collaborate and contribute in the preparation of a bank of such questions that would be used by all stakeholders in coming time.

The schedule of the workshops will be as follows:

Date	Subject	Venue
7th May	Orientation (½ day)	S.V. Public School Jaipur
