## Notification

**Subject: Online training on “Digital Tools for Teaching, Learning and Assessment of Specific Subjects” from 23-27 May 2022.**

As per NEP 2020 (clause 24.4) Effective models of Blended learning are to be identified to leverage technology for enhancing teaching learning processes at schools. Accordingly, different models of blended learning have to be identified for different subjects to explore and construct knowledge.

Keeping in view the need and importance of digital tools related to specific subjects, CIET-NCERT is organising a 5 day online training on “Digital Tools for Teaching Learning & Assessment of Specific Subjects” from 23-27 May 2022 from 4pm to 5pm for Teachers, students, teacher educators and various stakeholders on utilization of digital tools for teaching learning and assessment.

The online training will be live on NCERT Official YouTube channel- <https://www.youtube.com/c/NCERTOFFICIAL> and also be simulcasted through PM eVidya DTH TV Channels No- 6-12. Participants will be required to complete the post-session activity to get the certificate of participation.

For detailed instructions on registration, participation, assessment and certification in this online training on “Digital Tools for Teaching, Learning and Assessment of Specific Subjects” visit the event page by using the link: <https://ciet.nic.in/dttclass.php> or scan the QR code to visit the page.

All the principals are requested to motivate their teachers to undertake this training for enhancing the classroom experiences.
