### NOTIFICATION

#### Orientation Session on Artificial Intelligence for Principals/ Heads of Institutions

As you are aware that CBSE had introduced Artificial Intelligence as a skill subject for classes IX onwards w.e.f th academic session 2019-2020. The subject was introduced with the aim of skilling students on the possibilities of emerging technologies while educating them on AI tech and social skills. CBSE in partnership with Intel India, has been regularly conducting AI Capacity Building Programs (CBPs) for teachers and AI Bootcamps for students.

In continuation with the momentum of enabling more schools to opt for AI Skilling for their students and encouraging schools to extend their outreach for skilling more students and teachers on Artificial Intelligence, a monthly orientation session shall be organized for Principals/ Heads of Institutions. These sessions will help build an elementary understanding of AI and its potentials and pitfalls. These will also provide introductory knowledge of the common domains of AI and the common concerns associated with AI ethics and biases. These orientation sessions will also facilitate schools to opt for AI as a skill subject.

The first such AI Orientation session for Principal/ Heads of Institutions will be held as per the details mentioned below:
