Q.25	<p>The two sources of finance she can use to expand her business are Share capital- Capital obtained by issue of equity shares and preference shares is called the share capital. Equity share capital is the prerequisite for the formation of a company. The preference this shareholder enjoy a preferential position over the equity shareholders and Retained earnings. A portion of the net earnings may be retained in the business for use in the future. This is known as retained earnings.</p>
Q.26	<p>A layman may say that profits are the only objective with which a business is carried on but a good business man cannot keep profits as his only motive. A business organization is an economic unit which makes use of various factors of production. Capital is one of the factors of production. It pays interest in the form of profits. Uí wick has put it beautifully, “Earning of profits cannot be objective of business any more, than eating is the objective of living.” there must be other objectives of a business which Eíe non monetary but as important as monetary, like employee satisfaction, innovation, productivity, consumer satisfaction, etc.</p> <p>Following reasons can be given to justify our opinion that profits cannot be the sole objective of a business.</p> <ol style="list-style-type: none"> 1. If we make profits to be only objective then interests of consumers, employees and society will be ignored. 2. Maximum profits in the short run, may result worse for long term interest of the company.
Q.27	<p>If entrepreneur starts sole proprietor form of business, then he has the following advantages. Advantages of Sole Proprietor Form of Business:</p> <ol style="list-style-type: none"> 1. Easy formation 2. Direct motivation 3. Better control 4. Promptness in decision-making 5. Secrecy 6. Flexibility in operations 7. Scope for personal touch
Q.28	<p>A. The hire purchase system is essentially a contract for hiring of goods. The ownership rights remain with the seller and the customer exercises his option for purchasing the goods. The buyer can return the goods at any stage. The seller can also take back the goods in case of non-payment.</p> <p>B. When goods are sold and payment is agreed to be made in instalments, it is known as instalment payment system. In this case if there is default in payment of any instalment by the buyer, the seller cannot ask for the goods to be returned as the ownership rights pass to be buyer when goods are sold and initial payment is made.</p> <p>The seller can only sue the buyer in a law court for payment of the balance due.</p>

Q.29	<p>The fundamental difference between advertising and personal selling, are as follows:</p> <ol style="list-style-type: none"> 1. Advertising alludes to paid form of communication, which commercializes product or service, offered by an identified sponsor, to increase sales. On the other hand, a form of promotion, wherein the sales personnel sells the product to customers, by directly visiting them, is known as personal selling. 2. While advertising is a one-way communication, wherein the message is transmitted to the customers, personal selling is a two-way communication, wherein the message is transmitted to customers, as well as feedback is provided simultaneously. 3. Advertising is a non-personal form of communication the message reaches the target audience after it is being aired. On the contrary, personal selling, as the name suggest, involves salesman visit to customer's place individually, which is a personal form of communication. 4. Advertising uses pull strategy, which draws public attention and persuades them to buy the product. As against, personal selling uses push strategy, which induces them to buy the product. 5. In advertising, the flexibility is missing, as the message is standardized and cannot be changed according to customers. In contrast, personal selling uses customized messages. <p>Advertising uses mass media, like radio, television, hoardings, the internet, blogs, apps, newspaper, etc. On the flip side, in personal selling, salesman delivers the message, personally to the target audience.</p>
Q.30	<p>Characteristics of business are as follows:</p> <ol style="list-style-type: none"> 1. An economic activity 2. Production and procurement of goods and services 3.
