FOREWORD

The Year 2019 will go down the annals of the board for many reasons. Most significant among them is completion of an exciting and fulfilling journey of 90 years. The Board has achieved many impressive milestones since its inception dating back to pre-independence era in 1929. It has to its credit the numerous contributions made in development of school education, not only in India but also in 26 other countries of the world. During these nine decades CBSE has evolved into a premier pacesetter board. To mark this unique occasion and chronicle the Board's epoch-making journey of exemplary service to the nation, CBSE published a memoir titled "CBSE@90" launched by the Hon'ble Human Resource Development Minister, Dr. Ramesh Pokhriyal 'Nishank' in November 2019.

While delineating the Board's annual activities, this report highlights the initiatives carried out by the CBSE for quality changes in teaching-learning processes which focus on student centric activities and shifting from a content based learning approach to a competency based approach.

The pre-ponement of annual X/XII exams led to early declaration of exam results in record time of 28 days. The Hon'ble Prime Minister interacted with school students of class 9th to 12th at the third season of "Pariksha Pe Charcha" on 20th January 2020 to diffuse exam anxiety.

As always, the Board was focused on smooth conduct of exams and took many proactive steps for organizing Webcasts, training programs for disseminating information and issuing guidelines to schools and all other important stakeholders in a timely manner. The Board made direct connect with parents and students through letters thus seeking active support for the smooth and fair conduct of examinations. New IT initiatives were put in place to facilitate the students and to ensure secure and faster exam and evaluation procedures and live monitoring of exam centres with customized Apps.

The Board continued to provide special exam facility to students participating in sports and to the wards of Armed forces, Military and Para-Military Forces for change of examination centers. Class X & XII CWSN candidates, were also allowed simple basic calculator for the first time in 2020.

For the 23rd consecutive year, free of cost Counseling Services were again extended to students and parents through IVRS, wide-ranging A-V modules, Podcasts, E-mail Support and Question -Answer Columns in newspapers.

CBSE has extended its footprints on social media platforms such as YouTube, Twitter, Instagram, Facebook and has extensively utilized these by engaging with students in a positive and interesting way, for promotion of good practices. The young students lapped up the Memes developed in house during exams as well as the first ever RAP song on exams; another in house creation of the board which had 4.5 lakh hits on YouTube within a short span of its launch.

A score of new initiatives have been taken by the Academic and Training wing for teacher-student community. Vidya-Daan 2.0 is a portal for quality e-content prepared by CBSE teachers for wider and free of cost utilization by schools, teachers and students anytime, anywhere.

From Academic session 2019-20, new subjects like Artificial Intelligence, Early Childhood Care Education and Yoga were introduced in school curriculum which is a step towards not only globally compatible and need driven education but also to enhance the multidisciplinary approach in teaching learning.

CBSE Teacher Awards – 2018 were presented to 34 teachers this year as a recognition of incessant dedication and hard work of teacher community. Seventy five students of class XII who topped in CBSE examinations in different categories were also felicitated by the then Union Minister of Human Resource Development, Shri Prakash Javadekar during 4th Gunn Gaurav Samman Samroh-2019 to acknowledge efforts and merit of the students who have demonstrated their perseverance to overcome several hurdles in achieving high academic performance.

More than 1200 school Principals, Educators, Teachers from across the world participated at the 90th foundation year celebrations of CBSE which also coincided with the 25th Sahodaya School Complexes conference in Nov 2020 at Vigyan Bhawan New Delhi. Some important and topical deliberations on the environmental and socio-economic issues, trends, innovations, competencies, practices and future requirements for a sustainable future were interacted over the two days.

Board's regular student enrichment activities like CBSE Āryabhaṭa Ganit Challenge, CBSE Heritage India Quiz, Expression Series, National Science Exhibition Swachhata Pakhwada were organized during the report period. CBSE also took up new initiatives like Reading Challenge, Creative and Critical Thinking (CCT) Weekly, Reading Week, Storytelling Competition to augment core and cognitive competencies in learners.

As the pages of this report unfold, there is mention of celebration of national days and 128th Birth Anniversary of Dr. Bhimrao Ambedkar and 150th Birth Anniversary of Mahatma Gandhi. Likewise, CBSE has always been sensitive to environmental concerns and has partnered with other government agencies to organize campaigns like Eco-Clubs and Water Conservation, 'Namami Gange' programme in schools for saving water, tree plantation and banning single use plastic.

Experiential Learning pedagogy has been the board's focus from 2019-20 session onwards to promote self-thinking, creativity and effective study skills among students and

to make them lifelong learners. CBSE has also decided to integrate Art in all academic subjects from classes I to XII with an aim to supplement active experiential learning and to inculcate an appreciation of the vast diversity in the Indian art forms.

Sports is a practical way to learn about goal-setting, importance of teamwork, discipline and skills required to deal with real life situations. For the physical and mental well-being of the students, sports events are organised in 24 disciplines. There is a streamlined and well-designed Health and Physical Education Program for students of class I-XII. CBSE is also on board “Fit India Movement” launched by Honorable Prime Minister of India.

I express gratitude to Hon’ble Minister of HRD Dr. Ramesh Pokhriyal ‘Nishank’ and MOS, MHRD, Shri Sanjay Dhotre for their unstinted and continued support and guidance.

My predecessor, Smt. Anita Karwal has indeed left a legacy of good practices and innovations in teaching-learning methodologies, reforms in exams and evaluation practices, skill orientation and skill strengthening, for providing a holistic educational environment for all children. My heartfelt thanks are due to her also as the present Secretary, SE&L, for constant guidance and supervision.

I would like to take this opportunity to thank the members of Governing Body, all committees, Heads of NCERT, KVS, NVS and NIOS for their support. I would like place on record my thanks to Secretary, Directors and Regional Officers of CBSE for their valuable contribution, discussions, suggestions and initiatives taken to bring forward the agenda of CBSE.

My special thanks and appreciation to Rama Sharma, Head Media & PR for compiling and finalizing the annual report in the present form. I also acknowledge support of the staff in carrying forward the objectives and plans of CBSE.

Students, parents and schools deserve thanks for placing their valued trust in CBSE. I am sure that this association with all the stakeholders will further strengthen and grow for mutual benefit in the days to come.

**Manoj Ahuja, IAS
Chairman, CBSE**

Celebrating 90 Glorious Years of CBSE

CBSE has earned excellence in the realm of school education having undertaken several projects and activities related to affiliation, examination, academic, skill education and capacity building of Principals and Teachers for more than 22,000 affiliated schools around the world. Since its inception in the year 1929, the Board has witnessed remarkable progress and attained several milestones along with its territorial expansion offshore. With time, the Board has gained a rich heritage and history by cultivating new educational paradigms. In year 2019, CBSE successfully completed 9 decades of its service to the nation and to mark this glorious occasion, the Board published a "Memoir" which encapsulates major developments, unique facts and information about the Board.

Academic Activities

CBSE strives to achieve academic excellence by conceptualizing policies and operational planning. The Scheme of Studies, curriculum, academic guidelines, textual, support material, enrichment activities and capacity building programs are as per the broader objectives set in the National Curriculum Framework-2005 and in consonance with various policies and acts of the Government of India.

CBSE is a student friendly Board. It provides flexibility in choice of subjects and combination of courses with its vast offering of 72 subjects at the

secondary level and 142 subjects at senior secondary level.

The Board defines appropriate approaches of academic activities to provide stress free, child centered and holistic education to all children without compromising on quality. Various innovative approaches are followed to achieve academic excellence in conformity with psychological and pedagogical principles

CBSE School Teachers' Teaching Aids Competition

The Competition was conducted at Regional and National Level to showcase the efforts of teachers in development and use of innovative teaching aids in teaching.

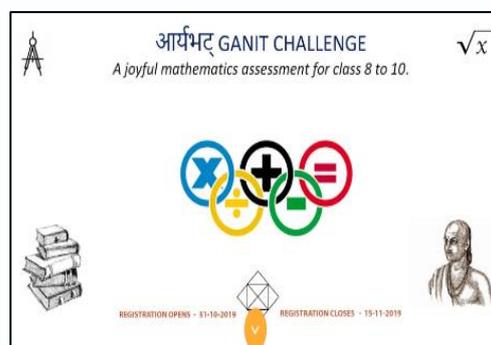

The **Regional Level Competition** was conducted at 15 different venues across the country in the month of September 2019 in which 727 teachers participated. Out of these 155 teachers were selected for the **National Level** held, in New Delhi on 30th October 2019 in which 141 teachers participated and displayed award winning Teaching Aids/Materials developed in different subjects like Languages, Mathematics, Science, Social Science inclusive of Humanities and Commerce subjects at Primary, Middle and Secondary and Senior Secondary Levels. Twelve (12) Teaching Aids were selected at the National Level.

Student Enrichment Activities

CBSE Āryabhaṭa Ganit Challenge

A joyful mathematics competency assessment - Aryabhata Ganit Challenge was conducted by Central Board of Secondary Education for the students of classes VIII to X. It was computer-based test, which focused on the extent to which children are able to apply mathematics in their daily lives. The challenge was conducted at two levels/stages. The first stage of the challenge

was held from 18th to 22nd November 2019. Seven Lakh Seventy-one thousand two hundred and fourteen (7,71,214) from 5,457 affiliated schools participated in the first stage to make the challenge one of the largest joyful assessments in the country. Top three students from each registered school were eligible to take part in the computer based test held subsequently. Based on the second level results, top 100 students were identified from each CBSE region and were given merit certificates.

CBSE Heritage India Quiz

The CBSE Heritage India quiz 2019 was organized on the theme '**Our Water Heritage**'. 1367 schools and 4101 students participated in the quiz conducted in two phases, an Online Test followed by National Semi Finals and Final. The All India Online Test was conducted on 20th November, 2019 after

which 16 teams were selected. The Semi Final and Final was conducted on 16th December 2019. The Sunbeam English School, Varanasi, was declared as National winner of the quiz.

Science Exhibition 2019-20

In its initiative to promote hands-on, innovative and creative learning experiences for students, the Board organizes the CBSE Science Fair/Exhibition at Regional and

National Levels every year. The activity provides a common platform to students, teachers and schools to exhibit innovative ideas and learn from each other's experiences. This exhibition also provides a medium for popularizing Science and increasing awareness among stakeholders about the close relationship between Science, Technology and Society. The theme for the Exhibition this year was **Science and Technology for Sustainable Development with a Thrust on Water Conservation. The sub-themes were:**

- Sustainable Agricultural Practices
- Cleanliness and Health
- Resource Management
- Industrial Development
- Future Transport and Communication
- Educational Games and Mathematical Modelling

Regional Rounds: were held at 30 different venues from 16th Nov 2019 to 4 Dec 2019 where 3327 teams exhibited their work.

National Science Exhibition 2019-20

The CBSE National Science Exhibition/ Fair was held on 16th, 17th and 18th January, 2020 at Suncity School, Gurugram, Haryana. This event saw the participation of more than 1250 students, 613 exhibits and 650 guide teachers.

A total of **29 exhibits** were selected as winners and teams were awarded a cash prize of ₹ 5,000/- each and a certificate.

These winning exhibits are nominated as CBSE entries in the Jawaharlal Nehru National Science, Mathematics and Environment *Exhibition (JNN-SMEE)* organized by the National Council of Educational Research and Training (NCERT) and also for *Institute for Research and Innovation in Science (IRIS) National Science Fair.*

Celebration of Swachhata Pakhwada 2019

To build an attitude of collective consciousness for environmental sustainability and develop a proactive approach towards healthy living, different activities and programmes were organized as part of Swachhata Pakhwada by the CBSE schools from 1st to 15th September 2019. Lakhs of students participated in different activities such as Swachhata Shapath Day, Awareness Day, Green School Drive, Hand Wash Day, Personal Hygiene Day, Swachhata Hi Seva (SHS) Day, School Exhibition Day, Swachhata Action Day and Letter Writing Day.

Celebration of Reading Week

Reading Week was held coinciding with International Literacy Day on 8th September in all affiliated schools from 9th to 15th September 2019. A list of suggestive activities for the celebration of Reading Week was provided to schools. Schools were also suggested to assess the activities of students during the Reading Week as part of the Subject Enrichment Activities for classes up to Secondary level.

CBSE Reading Challenge 2019-20

Reading literacy is one of the most crucial core skills and to promote Reading Literacy, the Board organised first round of CBSE Reading Challenge in the month of January 2020. The contest was held initially in two Rounds. Round One was open to students of classes VIII-X and about 3.8 lakh students took part in this round. There were 10,000 participants for Round Two, best six students from each affiliated school were registered and appeared in an online assessment.

Creative and Critical Thinking (CCT) Weekly

In order to enhance higher order cognitive competencies of learners and to connect learning with real life situations, the Board launched **Creative and Critical Thinking (CCT) Weekly Practice Program** on 08.02.2020 wherein a set of 5 questions are shared every week for students of classes VII-X on **Reading Literacy (English and Hindi), Mathematical Literacy and Scientific Literacy**. These items are also used by teachers to initiate discussions and engage learners in self-learning explorations. The CCT questions and solutions are available online on DIKSHA mobile application/Web browser and can also be downloaded as a pdf.

Expression Series

Letters to Bapu

Expression Series on 'Letters to Bapu' was organised as part of 'Swachhata Hi Seva (SHS)' programme run by Department of Drinking Water and Sanitation, Government of India. The schools organized this Expression Series on 13th & 14th September 2019. About 4.5 lakh students participated. Out of these 4314 entries were shortlisted. Five best entries were awarded certificates finally.

Water Conservation

CBSE organized an Expression Series on Water Conservation to create more awareness on the crucial issue of Environmental and Water Conservation from 12th to 18th December 2019. 10 best entries of each category were selected at the regional level by all CBSE regions for onward submission to CBSE. Approximately 5 Lakh students participated.

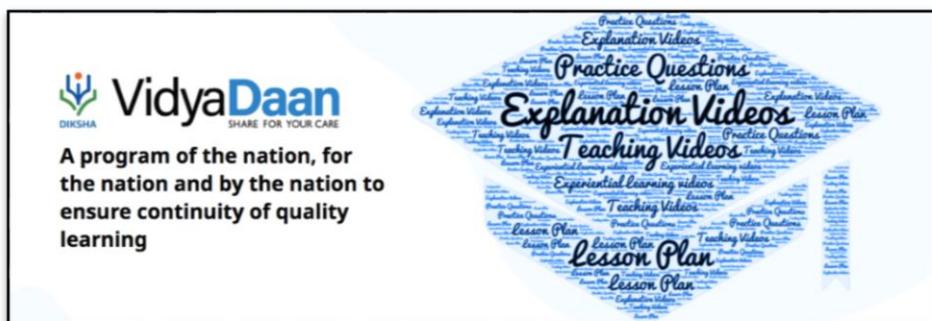

CBSE Storytelling Competition

The first CBSE Storytelling Competition was held for the students of classes 3rd to 12th of all CBSE affiliated schools with the aim to promote creativity and critical thinking among students, enhancing their analytical and evaluation skills and developing communication skills. The competition was conducted at three levels:

- i. **School Level:** from 18th to 23rd November 2019
- ii. **Regional Level:** The best entry from each school was uploaded on the CBSE Storytelling App by the schools from 24th to 30th November 2019. Approximately 9,500 videos were uploaded for the Regional Level.
- iii. **National Level:** The competition at the national level was held on 27-28 January, 2020 at Mayo School, Noida. 64 winners of the regional level presented their stories and three best entries of each category were awarded a certificate and medallion.

Vidya Daan

Vidya Daan was launched on 12th September 2019 by Hon'ble Minister of HRD, Shri Ramesh Pokhriyal 'Nishank'. CBSE's initiative Vidya Daan is a program based on donation of e-content by CBSE teachers to synergize countrywide efforts on content development for providing schools and teachers in urban and rural areas with good quality e-content that can be used anytime, anywhere at no cost. **Approximately 6000 content pieces** are available on Vidya Daan presently for grades 6th to 10th from CBSE Schools for English, Hindi, Maths, Science, and Social Science subjects. The content can be viewed on www.diksha.gov.in/cbse or DIKSHA App can be downloaded from the play store for the purpose.

VIDYA DAAN

2.0: CBSE decided to launch Vidya Daan 2.0 with an aim to enable students to better understand and apply their knowledge of the concepts and topics to life experiences and teachers to prepare better and teach better through activity and experiential based teaching and learning.

Two Levels of Mathematics

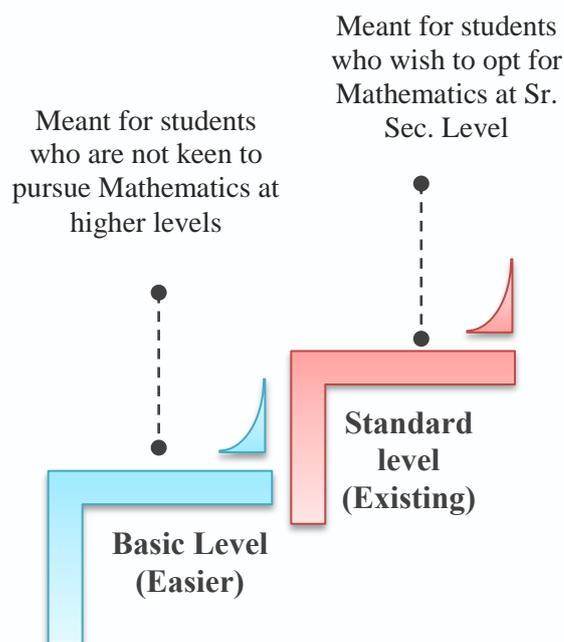

As per NCF, not only would the two levels of examinations cater to different kinds of learners and allow different levels of testing, it would also reduce overall student stress levels. Keeping in view of this aspect and as evidenced by the Board results, the Board has introduced two levels of examination in Mathematics for the students of Class X Board examination for the academic session ending March 2020 and onwards.

Introduction of 'Applied Mathematics (241)' as an Academic Elective at Senior Secondary Level

Following the recommendations of National Curriculum Framework 2005 which states that subjects such as Mathematics and English could be examined at two levels; standard and higher level, CBSE had started offering two levels of examinations in Mathematics at secondary level from the year 2019-20.

Participation in PISA 2021

India's participation in PISA 2021 is perceived as tool for transforming educational practices and to prepare Indian students for the global economy. The schools run by Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS) and schools in the UT of Chandigarh would be participating in PISA 2021. CBSE is involved as a part of the process and activities leading to the actual test. Several initiatives taken by the board for International Student Assessment (PISA) preparation are as under:

- Teachers' Handbooks on Mathematical Literacy, Scientific Literacy and Reading Literacy were prepared through a collaborative effort with KVS, NVS and Department of Education, Chandigarh.
- With the approval of MHRD, the CBSE signed MoU with EkStep Foundation to engage in competency-based learning and to improve learning outcomes in school education across India.
- CBSE collaborated with the EK Step and Sri Aurobindo Society for mapping the NCERT Curriculum and creating a bank of competency-based questions for assessment.
- The board also developed 02 sets of assessment items for Critical and Creative Thinking Practice by Chandigarh, KV and JNV schools in Reading (English and Hindi), Mathematics and Science.
- A total of 83 items were developed (at 02 levels: classes 6-8 and classes 9-10)
- About 30 experts/ teachers were engaged for this task
- These were provided to UT Chandigarh, KVS and JNVs and the students have undertaken this practice exercise in October 2019.
- Feeding of data by individual schools for the PISA sample students and an analysis of the students' responses is underway.

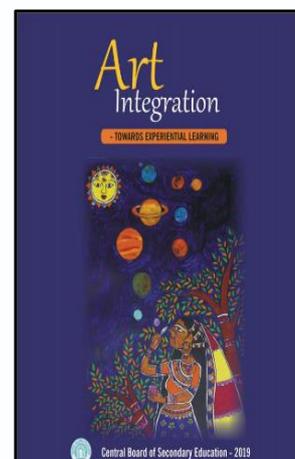

Experiential Learning

In order to promote self-thinking, creativity and effective study skills among students and to make them lifelong learners, CBSE has introduced Experiential Learning pedagogy from 2019-20 session onwards. Accordingly, the schools have to plan the curricular activities in such a way which may enable students to connect the content of the learning areas and subjects with their own lives and the world around them. The Board also adopted the Learning Outcomes approach developed by NCERT for classes I-VIII and encouraged the schools to direct their teaching-learning in the light of these outcomes.

Joyful Learning through Art Integration

Art Education: Art, in any of its forms is the primary pathway to learn the subject/topic and also a way of assessment. The integration is meant not only to make the learning process joyful, but also to develop greater appreciation and understanding of the art form being utilized for this purpose. Art Integration is not a replacement for Art education. Integration happens only after students have been directly taught the Arts. Without this background knowledge, neither the students nor the subject teachers will be able to integrate art in education.

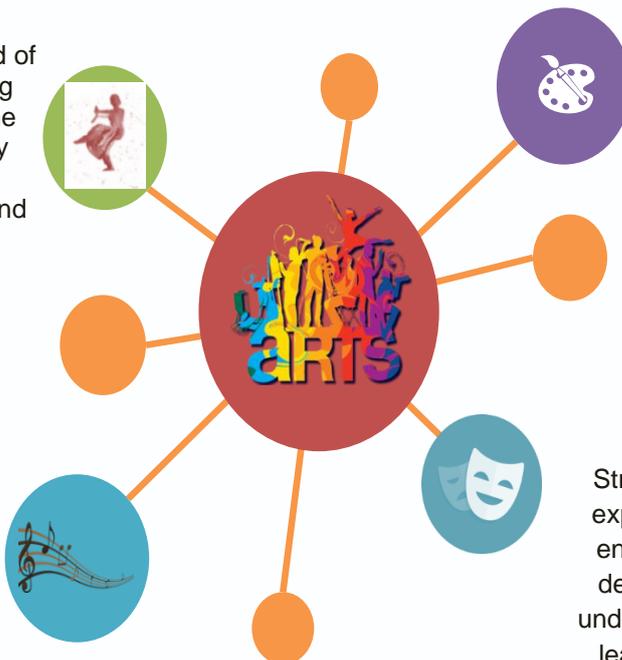

Art-Integrated Learning Guidelines released for reference by the CBSE affiliated schools.

Benefits of Art Integrated Education

Broadens the mind of the child enabling her/him to see the multi-disciplinary links between subjects, topics and real life

Makes teaching and learning process joyful and impacts the development of communication skills, reflection & enquiry skills, self-esteem, appreciation for aesthetics and creativity

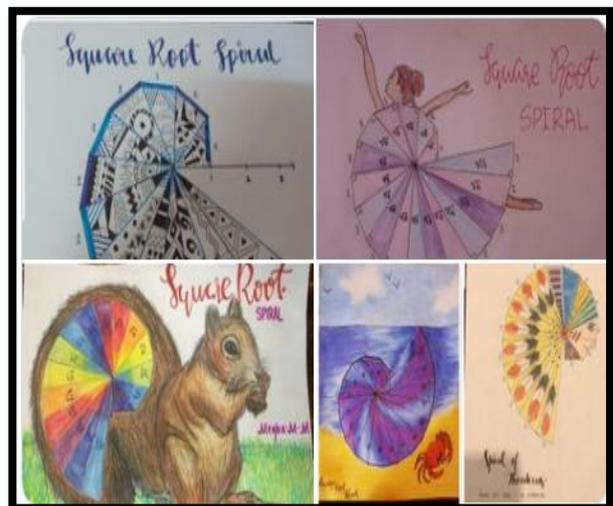

Helps the child apply art-based enquiry, investigation and exploration, critical thinking and creativity for a deeper understanding of the concept

Strong contender for experiential learning, enabling the child to derive meaning and understanding from the learning experience

Mandatory Art Education

CBSE thus decided to integrate Art with the teaching and learning process of all academic subjects from classes I to XII with an aim to promote active and experiential learning and to inculcate an appreciation of the vast diversity in the Indian art forms.

CBSE has directed schools to teach Arts education as a mandatory subject for classes 1 to 12 and compulsorily reserve a minimum of two periods per week, per class, for Art education. This includes four main streams covered by the term arts, such as music, dance, visual arts and theatre. The students of upper primary sections (classes 6 to 8) have been introduced to culinary art by establishing multi-disciplinary links across the subjects.

School Quality Assessment and Assurance (SQAA)

The Board has developed a “quality assessment framework” for assessing the schools for meeting commonly accepted standards of excellence, quality check and monitoring of the schools at regular intervals. It is an exhaustive, objective, transparent and implementable self-assessment tool benchmarked by best global standards. This will

empower and enable schools to self-assess their performance in different domains to move further on developmental continuum. The process of School Quality Assessment and Assurance involves two essential phases:

- Phase 1: Self-Assessment using different instruments of SQAA through an online method
- Phase 2: Validation by External Peer Assessor Team by visiting the Assesse School

‘Pariksha Pe Charcha 2020’

With class X and class XII examinations 2020, the Hon'ble Prime Minister once again interacted with school Students on 20th January 2020. There was an online competition for students for getting opportunity to meet the Prime Minister. Schools were also made aware about MHRD & MyGov initiative for students of classes 9 to 12 for the third edition of Prime Minister’s interaction programme with school students “Pariksha Pe Charcha 2020”.

School Eco-Clubs and Conservation of Water

CBSE has taken various initiatives to sensitize schools and students and promoted relevant activities for energy conservation, wastage of food at social gatherings, hazards of electronic waste, conservation of petroleum products, plastic pollution and more.

All affiliated schools were asked to set a target to become Water Efficient Schools in the next three years. As per the target and pledge, every Child in class 5 to 12 will save one liter of water every day at home and in school, plant one tree per student and make each campus plastic-free. The Board also issued guidelines entitled “Eco-Clubs and Water Conservation- A Handbook for Schools and Teachers” on the issue.

Ek Bharat Shrestha Bharat Activities in Schools

‘Ek Bharat Shrestha Bharat’ (EBSB) programme was launched on the occasion of birth anniversary of Sardar Vallabhai Patel to foster national integration through a coordinated mutual engagement process between States, Union Territories, Central Ministries, Educational Institutions and general public through linguistic, literary, cultural, sports, tourism and other forms of people-to-people exchanges.

CBSE issued directions to schools to organize various activities under ‘Ek Bharat Shrestha Bharat’ Programme in all schools during the year to facilitate greater participation of students. Schools are participating in different activities under Ek Bharat Shrestha Bharat from November 2019 till June 2020.

Celebration of Rashtriya Ekta Diwas

The birth anniversary of Sardar Vallabhbhai Patel is observed in CBSE and schools as 'Rashtriya Ekta Diwas' (National Unity Day). The Schools were directed to undertake suitable activities to observe the occasion including taking Pledge (Oath), 'Run for Unity" for the students of classes XI-XII, Prabhat Pheri by school children of upper primary classes, a March Past by NCC/Scouts/NSS students, Essay/ Debate competitions and Ek Bharat Shrestha Bharat activities.

CBSE Art Exhibition

The Board announced an Art Exhibition for Classes 4th onwards. The objective of this exhibition was to bring out the creative skills of the students and popularize Art Exhibition among schools for transacting curriculum in all subjects.

Celebration of 'Matribhasha Diwas' (Mother language Day)

The UNESCO declared 21st February every year as International Mother Tongue Day to promote the dissemination of mother tongue and awareness of linguistic and cultural traditions throughout the world and to inspire solidarity based on understanding, tolerance and dialogue.

CBSE also decided to celebrate Matribhasha Diwas on 21.2.2020 to promote the use of mother tongue. The tenor has been celebratory and the schools affiliated to the Board were encouraged to observe it with following objectives

1. To Highlight the linguistic diversity of our country
2. Encourage usage, not only of the respective mother tongue but other Indian languages as well
3. Understand and draw attention to the diversity of cultures, in India and the consequent forums of literature, craft, performing arts, scripts and other forms of creative expression
4. Encourage the learning of languages, other than one's own mother tongue. 3.

The list of suggestive activities were also given to schools for celebrations to achieve the objectives of Matribhasha Diwas.

Celebration of International Women's Day, 2020

CBSE shared the theme of this year's International Women's Day (IWD) 2020 '**I am Generation Equality; Realizing Women's Rights**' which was observed on 08th March, 2020. The Government under the aegis of Ministry of Women and Child Development proposed to observe the Day throughout the country along with a media and publicity campaign from 1st March to 07th March, 2020, in the run-up to the main event on 8th March, 2020. Schools have been suggested activities for celebrations and to integrate these activities as part of the regular curricular activities/calendar without adversely affecting normal academic activities of the school.

National ICT Award for Teachers (2018-19)

MHRD has introduced National Award for Teachers for use of ICT in Education under the centrally sponsored programme of Samagra Shiksha. The award proposes to felicitate those teachers who have enhanced student learning by effectively and innovatively integrating technology supported learning. In all, 91 ICT Awards have been instituted for different States/UTs and Autonomous Bodies/Organizations under Govt. of India. Interested teachers of CBSE affiliated schools as eligible under given criteria were encouraged to send detailed entries as per the guidelines by 31st July 2020.

Ganga Quest- An Online National Quiz on Ganga

The National Mission for Clean Ganga, Ministry of Jal Shakti have implemented various projects for the rejuvenation of river Ganga and its tributaries under the flagship programme 'Namami Gange'. NMCG in association with Tree Craze Foundation organised Ganga Quest –an online National Quiz on Ganga with the aim to increase the public participation for 'Namami Gange' programme and to enhance ownership of children and youth for rivers and Ganga. CBSE schools were encouraged to motivate the 10 year and above eligible students to register on the website www.gangaquest.com and participate in the quiz as per guidelines.

Values Education Programme for Schools

The three-year graded Values Education programme for students of class 6, 7 and 8 (or 7, 8 and 9) is designed by Ramakrishna Mission where the students analyse various real life situations and role models. The students think, discuss and discover the consequences of various choices and hence get armed with a decision-making framework for life. The schools desirous of adopting the '**Awakened Citizen Programme**' for their students were informed to visit the website www.theawakenedcitizen.org for availing this free of cost program. Such desirous schools were required to allot 16 periods per year and may be committed for a minimum period of three years. This training programme of teachers could be undertaken by schools who opt for it, at their own pace, time and convenience.

Skill Education and Training

Skill Education is an important aspect of the nation's education initiative. While exploring the new domain of knowledge and skills that have bright employment prospects as well as career opportunities, the board offers various skill courses as follows:

CLASS	SESSION	SKILL COURSES	NO. OF SCHOOLS	NO. OF STUDENTS
Class IX	2017-2018	15	2,766	2,15,420
	2018-2019	16	6,237	6,03,215
Class XI	2017-2018	40	759	29,931
	2018-2019	40	1,193	52,163

Introduction of New Skill Subjects in Class VIII, IX and XI

Artificial Intelligence, Early Childhood Care Education and Yoga have been introduced as new skill subjects in school curriculum from the academic session 2019-20 with a view to inculcate a sense of future readiness in schools and learners. These skill subjects in class X and XII tend to enhance and empower the learning capacity of students.

Artificial Intelligence: Artificial Intelligence (AI) is being widely recognized to be the power that will fuel the future global digital economy. AI in the past few years has gained geo-strategic importance and a large number of countries are striving hard to stay ahead with their policy initiatives to get their country ready. India's own AI Strategy identifies AI as an opportunity & solution provider for inclusive economic growth and social development. As a beginning in this direction, Artificial Intelligence (AI) has been introduced as an optional 6th subject in Class IX from the Session 2019-2020 onwards and will successively extend it to class XII. This curriculum is age appropriate and focusses on building an AI mind-set, relevant skill-sets and tool-sets. To enhance the multidisciplinary approach in teaching learning and to sensitize the new generation, it has also been decided that School may start AI "Inspire module" of 12 hours at Class VIII itself.

Artificial Intelligence Readiness Celebrations in September 2019

CBSE - INTEL AI-thons: AI readiness workshops for students

The key objective of AI thons is to enable and empower students with AI skills and use them to find solutions to the problems faced by the community, related to climate change, food security health, sanitation etc.

The first CBSE-Intel AI-thon was organized at Chandigarh in July 2019. Responding to the overwhelming response received to the first CBSE-Intel AI, CBSE in collaboration with Intel, decided to organize similar AI-thons: AI readiness workshops were held for students, at various locations throughout the country between November 2019 to January 2020.

Ms. Anita Karwal, IAS, Additional Secretary and Chairperson CBSE, Mr. Greg Slater, VP and Senior Director, Global Regulatory Affairs, Intel Corporation along with senior officials from CBSE. Celebrating AI Readiness event on 11 September 2019, Delhi

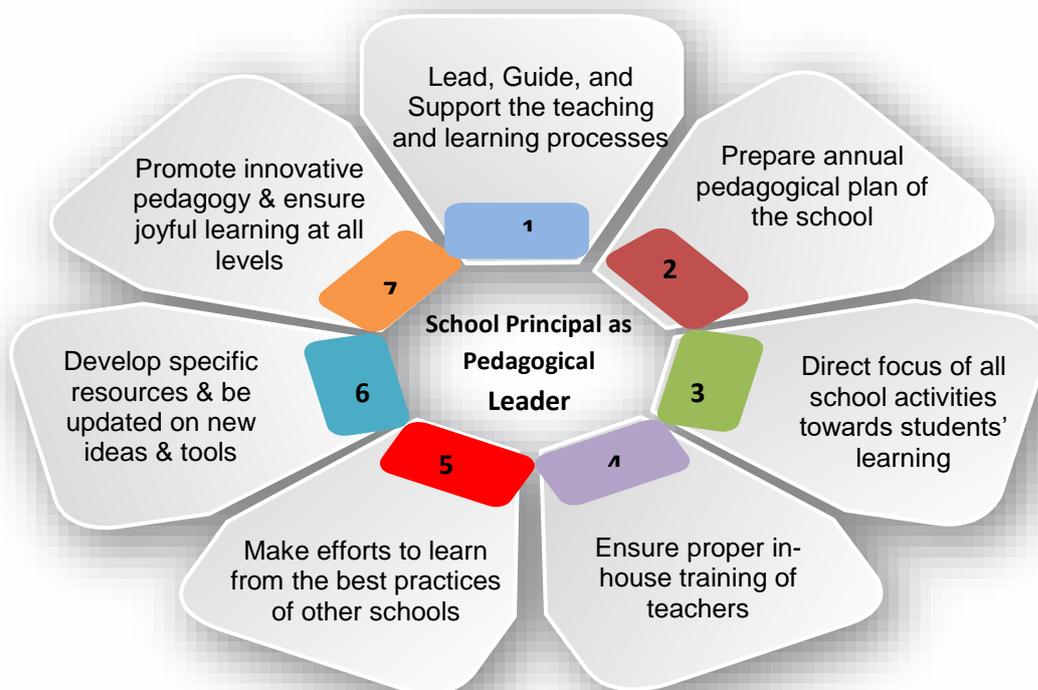

First-ever AI4Youth cohort felicitated by Ms. Anita Karwal, IAS, Additional Secretary and Chairperson CBSE and Mr. Greg Slater, VP and Senior Director, Global Regulatory Affairs, Intel Corporation. Celebrating AI Readiness event on 11 September 2019, Delhi

Yoga: Yoga will teach a way of living that aims towards a healthy mind in a healthy body. Over the last few decades, there has been an upsurge in the prevalence of Yoga. Considering the demand of schools supplemented by various reports that projected the huge requirement of Yoga, the Board has decided to introduce Yoga as an Elective subject at Senior Secondary level from this academic session.

Early Childhood Education: Early Childhood Education will prepare the students to teach children of nursery and kindergarten classes through Montessori, happy education or other system of child centric education. Like Yoga, this has also been introduced as Elective subject at Senior Secondary level from this academic session considering the demand of Early Childhood Educators.

CBSE Centres of Excellence and Principal and Teachers Empowerment

The 17 Centres of Excellence of the Board are functional in different parts of the country to fulfill the need of continuous professional development of school teachers and administrators.

Education Transformation Workshop for Principals in collaboration with Microsoft: CBSE conducted two Workshops in collaboration with Microsoft, for Principals on latest technologies for holistic education transformation.

Short Term Courses at IIMs for Principals and Vice Principals

The Principals, being the administrative and academic head of schools, have a challenging leadership role and require training and platform for exchange of ideas and practices. CBSE has requested all Indian Institutes of Management to explore the possibility to design and offer short-term courses to principals/teachers of the private independent schools affiliated to CBSE.

Physical Education and Sports

CBSE organizes sports events for students of its affiliated schools under independent category as the participation in sports gives children a practical way to learn about goal-setting, importance of team work, discipline and skills required to deal with real life situations.

CBSE organizes sports events in 24 disciplines such as Athletics, Archery, Aerobics, Badminton, Basketball, Boxing, Chess, Gymnastics, Football, Handball, Hockey, Judo, Kho-Kho, Kabaddi, Skating, Swimming, Rifle-Shooting, Rope Skipping, Taekwondo, Tennis, Table-Tennis, Volleyball and Yoga. The sports events are organized at Cluster/ Zone and National Level in different age-groups for boys and

girls separately. The winners of Cluster and Zone level competitions participate at National Level.

Around 5 lakhs students participated in CBSE sports events in 2019. Merit Certificates and Medals were given to the winners whereas participation certificates were given to all. 96 winners of CBSE National Sports events participated in Khelo-India program of Government of India in 2019.

Mainstreaming of Health and Physical Education

CBSE aims to provide a focused curriculum for Health and Physical Education imbued with Life Skills in all its affiliated schools. Therefore, a streamlined and well-designed Health and Physical Education Program was introduced to mainstream health and physical education in schools especially for students of class I-XII.

FIT INDIA Plogging Run on 2nd October 2019

Honorable Prime Minister of India launched nation-wide “Fit India Movement” aiming to encourage people to inculcate physical activity and sports in their everyday lives and daily routine. CBSE motivated all schools to participate in FIT INDIA Movement by organizing FIT INDIA Plogging run event voluntarily on 2nd October 2019 to promote the habit of fitness and cleanliness in all the citizens and also as a befitting tribute to the Father of the Nation.

Fit India School Rating

To take this mission forward, the Ministry of Youth Affair and Sports launched Fit India School Week and Fit India School Rating to integrate Fitness as an essential part of School Education where Physical Fitness is taught and practiced, apart from home.

Holistic Development of Children under Fit India Movement

In the backdrop of 'Fit India Movement' launched to protect and improve the nation's health and wellbeing and reduce health inequalities, schools have been again requested to plan and ensure daily fitness activities for all students to ensure that students' imbibe "Fitness as a habit" –physical, mental and emotional and make Fit India Initiative a successful people's movement.

Sensitisation of students for mental and emotional wellbeing as part of FIT India movement.

CBSE and Fit India Mission have collaborated to provide live sessions by experts covering a range of topics for holistic well-being of school going children which include simple actionable tips about Basic Exercises, Nutrition, Yoga & Meditation, and boosting immunity.

FIT INDIA WEEK It has been decided that each year a total of **06 working days** during the **THIRD and FOURTH WEEKS** in November will be celebrated as "Fit India School Week" in all CBSE affiliated schools. This movement therefore endeavors to alter behavior from 'Passive Screen time' to 'Active Field time' and the aim of the objective is to develop Sports Quotient among all the students to achieve a healthy lifestyle. Such movement also instills in students the understanding for regular physical activity and higher levels of fitness enhancing in them self-esteem and confidence.

CBSE ने एक सराहनीय पहल की है। Fit India सप्ताह की। Schools, Fit India सप्ताह दिसम्बर महीने में कभी भी मना सकते हैं। इसमें fitness को लेकर कई प्रकार के आयोजन किए जाने हैं।

Digital Initiatives

CBSE's commitment towards "Environment Protection through Green Initiatives", exam related ICT innovations and implementations have resulted in manpower and financial saving along with saving paper, Trees, water, and controlling Carbon emissions.

ICT initiatives taken up by CBSE also provide hassle-free services to all stakeholders' especially in remote areas and widely across the globe.

The online pre and post exam processing has resulted in smooth declaration of results of all Regions together and ahead of scheduled dates despite exponential increase in the number of examinees.

Online Exam Centre Consent System (OECCS)

Portal to obtain details and consent of institutions to act as examination centers for various Examinations being conducted by CBSE.

Online Exam Observer Consent System (OEOCS)

Portal to obtain consent from various selected personnel to act as observer(s) for various Examinations conducted by CBSE.

Confidential Material Tracking & Monitoring (CMTM)

Portal for monitoring of CMTM apps and analysis of various data for actions/decisions.

CTET-CMTM – Confidential Material Tracking & Monitoring Apps for CTET Exams

For electronic surveillance of highly confidential and sensitive materials tracking and monitoring, five different apps have been developed for Custodian, Centre Superintendents, Observers and Administrators.

MRCS – Modular Result Compilation system

A comprehensive result compilation system based on parallel processing of various modules.

Digital Repository of CTET Mark sheets & Certificates

Result data of July 2019 and Dec 2019 is available while those examinees who appeared in Dec 2018 to Dec 2019 can now any time download their mark sheets and/or certificates. Both the documents are QR coded and digitally signed for verification through specially developed app.

कला सेतु

A portal for obtaining information from schools about Art Integrated Education & Learning.

Art Exhibition Web Portal

For inviting entries from schools for participating in Art Exhibition.

Reading Challenge Portal

For Reading Challenge competition to assess the reading abilities of children studying in classes VIII to X.

CBSE Shagun portal

A portal for facilitating schools to upload details of various activities and/or best practices carried out in a month.

Weightage based algorithmic grading of Schools

A system for 135 parameters-based computerized grading of all the affiliated schools.

Computerized Creation of Hubs of learning

A system has been developed to create random hubs of learning for schools based on marks/grading.

App of CBSE Expression Series & Web Portal (For ROs)

A Mobile App for registration of students and receiving entries. In addition, a portal for ROs for digital evaluation of the entries and declaration of results.

App and portal for Eco Club–Water Conservation 2019

A mobile App for schools to report activities pertaining to water conservation/eco-club.

प्रश्न मंजूषा A CBSE Question Bank Portal

A portal for inviting higher order thinking skills (HOTS) and critical thinking skills (CTS) questions from teachers of CBSE affiliated schools along with other attributes.

आर्यभट्ट Ganit Challenge

An integrated portal for registration of students for Math Olympiad “GANIT CHALLENGE” and conduct of test in Computer Based Mode. In this editable pdf of answer sheet is downloaded by students, attempted question on same and uploaded back. The data is captured from pdf and result is compiled and declared.

मेरी कहानी मेरी जुबानी

An integrated system comprising of a web portal and a mobile app for registration of students, video upload and digital evaluation and digital certification.

HPE - Health and Physical Education

A comprehensive portal for collecting Sports, Health and Physical Education related information from the schools.

Online IPR - Immovable Property Return

Online IPR have been incorporated in e-Karmic Portal of CBSE with a provision for monitoring by CVO.

Supremo App

App for Chairperson to monitor and control various activities being carried out within the organization and affiliated schools of the Board.

Commander App

App for HoDs to monitor and control various activities being carried out within the organization and affiliated schools of the Board.

Colonel App

App for ROs for various operations, monitoring, control and bringing transparency in various activities carried within the organization, affiliated schools of the Board.

The Galaxy - Alumni

This Web Portal has been developed in house for registration of Alumni of the Board

ASAR App - Affiliated Schools Activities Report

App for facilitating Schools to upload Photos/Videos of various activities being carried out by them including best practices.

हरकारा – A Rapid Communication System for Schools

A portal for schools, through which schools can communicate their issues with the appropriate authority of the Board and can track the status of their requests. The concerned authority can address the issue online.

e-Sandesh

A Portal to send bulk SMS and E-mails to various stake holders.

Stakeholders Support System (S3)

An integrated one stop portal to disseminate information/services being offered to all stakeholders of the Board and processing of their requests appropriately.

HIROS – Historical Information Repository of Schools

A comprehensive system comprising of a portal and a mobile app for uploading and tracking of various correspondences with the schools by any unit in the Board.

i -CBSE

An app for disseminating latest information from CBSE website.

NCMTM for NVS Custodians, Centre Supdts., Principals & Administrator Four Apps for electronic surveillance of highly confidential and sensitive materials tracking and monitoring by custodian, centre superintendent, administrator and Principal.

NCMTM monitoring by NVS

Portal for monitoring of above Apps by various authorities.

CDMSIS - Customized Data Mining and Statistical Information System

Systems for quickly providing required data/statistical information to various sister organisations, universities, admission counselling bodies and Government Departments.

CDMSIS - Customized Data Mining and Statistical Information System

Systems for quickly providing required data/statistical information to various sister organisations, universities, admission counselling bodies and Government Departments.

Online Interview Marks Uploading System (OIMUS) for KVS

An online system for collecting interview marks in real time basis. This results in quick preparation of merit and dissemination of results.

Exam Centre Locator (ECL) App: This App helped to facilitate CBSE examinees locate their centres on google map by entering roll number. This also helps to know the shortest route to reach the centre and time required to reach the centre.

SIS – Statistical Information System: A Comprehensive system was developed for compilation of variety of statistics pertaining to results. Due to implementation of this system in 2019, a variety of statistics of Class X & XII could be provided immediately.

A special App called the CMTM (Confidential Material Tracking and Monitoring) was launched and it was made compulsory for all Centre Supervisors to send geo-tagged and time-tagged pictures of exam day processes. These were monitored very closely at the Headquarter and by the Regional Offices. A zero-error policy for following exam byelaws procedures, and a zero-tolerance policy for mistakes due to ignorance or on purpose, was followed.

Live web streaming was arranged from examination centres.

TETRA (Theory Evaluation Trend Analysis), which facilitates real time evaluation monitoring and also allows trend analysis and visualization of scoring patterns by students in different regions, cities and across different sets was put to use.

Online Examination Centre Management System OECMS, was developed and implemented with a view to get real time exams centres related information. Complete examination process from registration of candidates / LOC, Admit card, Attendance Sheet, Centre Material, Internal assessment grades (IAPX Online Internal Assessment marks collection), online uploading of practical (e-Prac: Online Practical Examiners Allocation, Management and Marks uploading system) and theory marks (e-Theory: Online Theory Award Lists Allocation, Management and Marks Uploading System), processing of result, declaration of result was made IT enabled.

OEQPD - Online Encrypted Question Paper Delivery System was developed for just in time encryption of question papers, just in time dissemination, just in time decryption of encrypted question papers and just in time printing of question paper to avoid any possible chance of leakage. This was used in July 2018 & February 2019 Exams.

CBSE podcast platform 'CBSE-Shiksha Vani

CBSE has launched its own Podcast platform entitled - 'CBSE-Shiksha Vani' to disseminate crucial information related to the Board's activities in a timely, educative, lucid and seamless manner. Podcasting facility has been initiated for giving information and guidelines of the Board on academic and training initiatives, examinations and other important areas and procedures to Schools. CBSE-Shiksha Vani is available on Play Store for Android phone users.

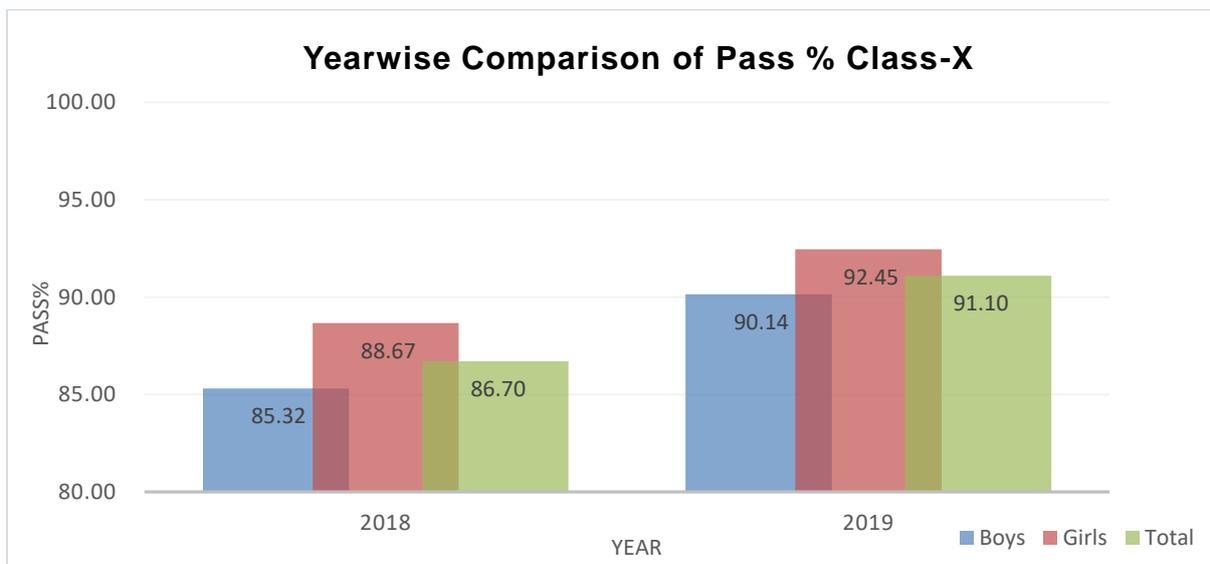

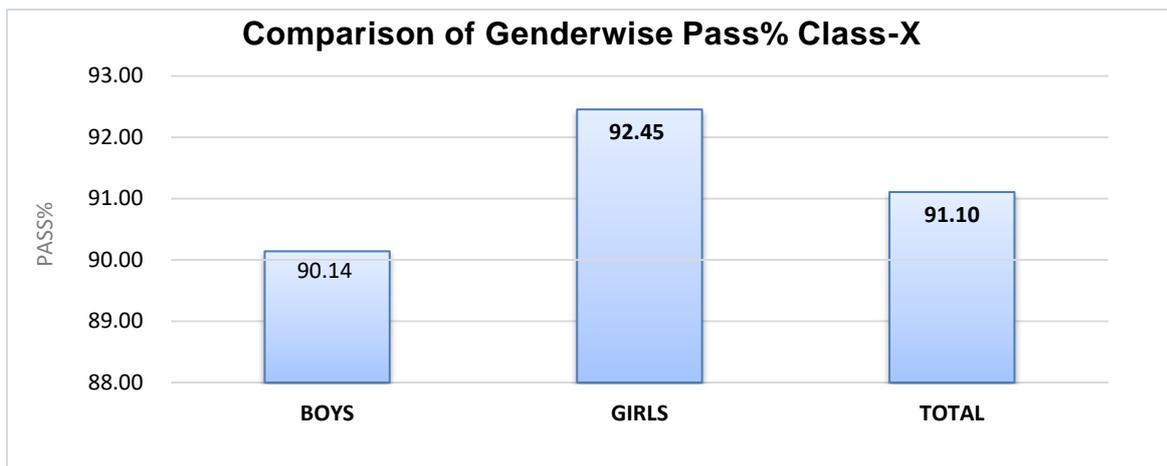

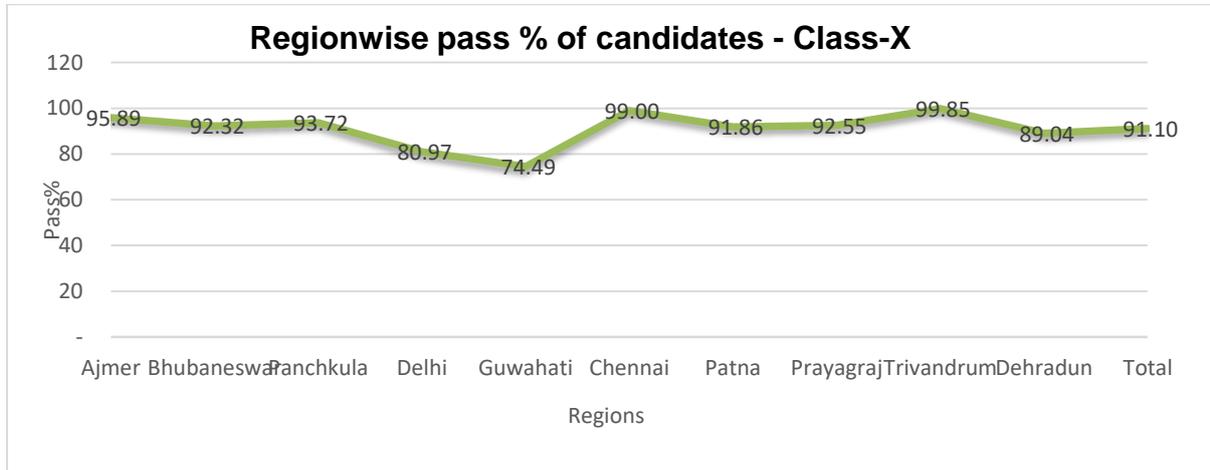

Examinations

CBSE conducts class X and XII exams for its affiliated Schools for more than 30 lakh students who currently appear during February to March. The Board also conducts compartment examination during the months of July-August.

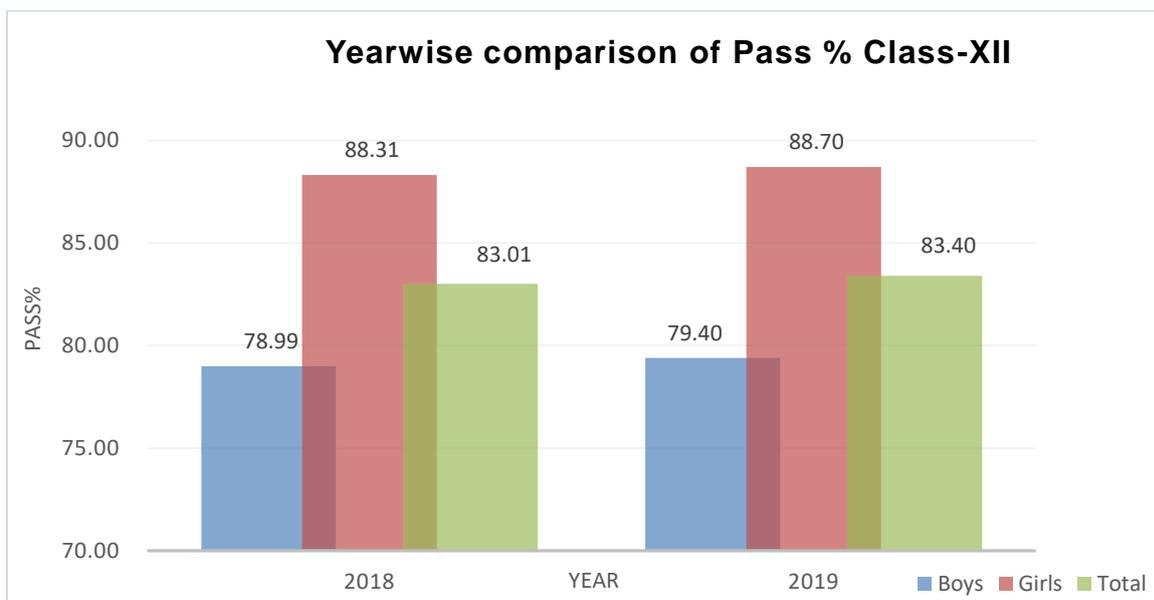

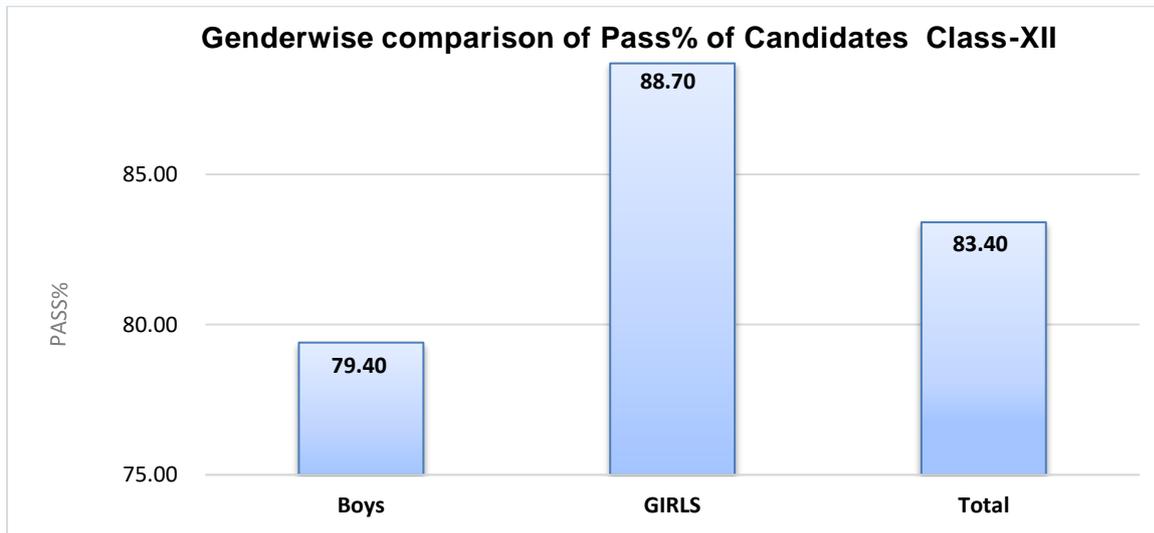

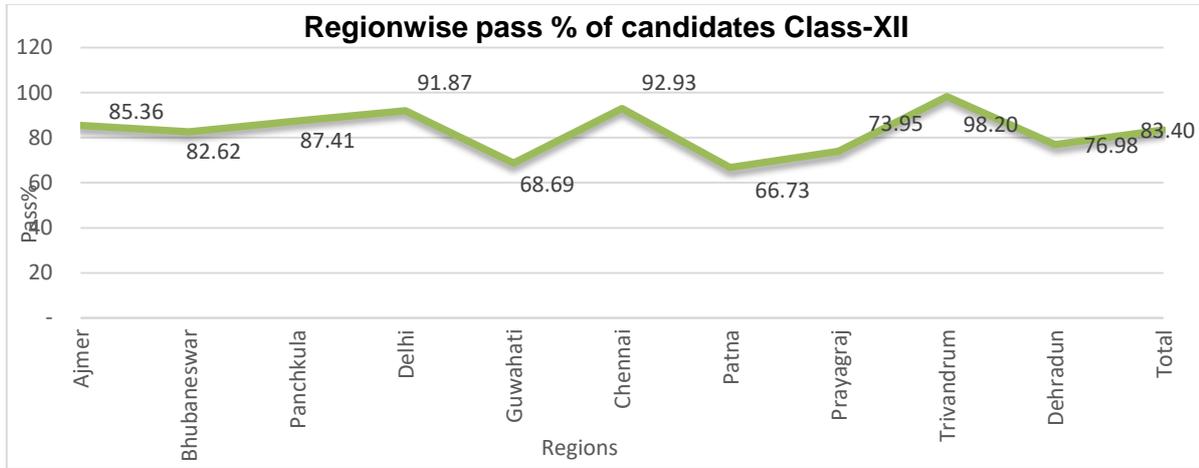

Class X & XII 2019 Exam Highlights

	Class X	Class XII
Duration of Examination	21 st February 2019 to 29 th March 2019	15 th February 2019 to 04 th April 2019
Date of Result Declaration	06 th May 2019	02 nd May 2019
Number of Schools	19298	12441
Number of Centers	4974	4627
Candidates Appeared	1761078	1205484
Candidates Passed	1604428	1005427

candidates scoring >90% in CWSN category	275	225
Candidates scoring >95% in CWSN category	48	36

Secondary School Certificate Examinations (Class X) Results 2019

Senior School Certificate Examinations (Class XII) Results 2019

Preponement of 2020 Exams

CBSE had decided to prepone Board exams in 2019 for Skill Education (Vocational) and related subjects to the second half of February. This was done to ensure that the main exam results and that of re-evaluation could be made available to students before the cut-off date for admission of colleges and the University of Delhi. Similar practice was resumed for 2020 also.

Special Exam Policy to Promote Talent in Sports: The Board initiated a Special Exam Policy to promote talent in sports by holding exams on convenient dates for those students who participate in National or International level sports competitions recognized by Sports Authority of India, Ministry of Youth Affairs and Sports, either at the time of Board examinations or at the time close to Board examinations.

Relaxations to the wards of Armed forces, Military and Para-Military Forces: CBSE decided to give relaxations to the wards of Armed forces, Military and Para Military Forces who fought terrorism and left-wing extremism for the country and were martyred in the line of duty. Wards appearing for the Class XII or X examination in 2019 and wished to change their Centre of examinations in the same city or to some other city, were allowed to do so. If they missed their practical examination(s), it was conducted as per their convenience by their school. If they wished to appear in the examination in any offered subject later, they were permitted to do so. The same facility was extended in 2020 also.

Issuance of Single Certificate at Secondary Level Exam: The Board has decided to issue a single certificate at Secondary level Exam combining the language of the Mark sheet and certificate beginning 2019 exams of Class X. This eco-friendly move was also to facilitate better handling of single certificate by the students.

Changes in Question Paper and Marking Schemes

- The question paper format was modified by providing more internal choice in questions. There was approximately 33% increase in internal choice in all major subjects, both for classes X and XII and 25% objective type questions.
- The Question Paper design was also made convenient by putting questions carrying same marks in one section. This made it easier for the students to comprehend.
- The Board changed the Class X passing criteria to combined pass marks in Internal Assessment and Theory examinations.
- To encourage students to have better conceptual understanding and to be able to overcome issues related to rote-learning and rote-evaluation, marking scheme 2019 prepared for the evaluators highlighted that priority had to be given to creative, correct and relevant answers given by students other than the ones mentioned in the Marking Scheme.

Facilities for CWSN candidates

- 21 categories of disabilities covered under the facilities.
- Flexibility in choosing subjects.
- Facility of Scribe and compensatory Time (20 minutes per hour).
- Assistive devices: hearing aid, special chair provided to the candidates.

- Use of Computer or Laptop for writing.
- Provision of Reader in case the student does not want the facility of a Scribe.
- Relaxation in mandatory attendance.
- Separate Question paper and questions in lieu of practical component.
- Simple basic calculator for Class X & XII Examinations from 2020.

Steps to ensure smooth conduct of Board exams

- A Webcast was conducted for the City Co-coordinators Custodians, Centre Superintendents, Observers, Invigilators and students to ensure that all the necessary instructions regarding exams 2019 and 2020 were conveyed.
- Directions to schools, examination centers. Evaluation centers were released separately.
- Letters to Parents and Students were issued separately to help in smooth and fair conduct of examinations.
- Several rounds of trainings were done in all regions, in more than 100 cities, regarding conduct of exams and evaluation process
- Groups of Center Supervisors were formed at the Regional Offices for monitoring activities very closely.
- Multilevel Psychological Counselling for coping with exam anxiety through IVRS, Live counselling and Audio-Visual presentations was made available.
- Very close monitoring of fake news, and fake sites, was planned with social media heads and FIR was lodged in every case upload of fake videos on YouTube.
- **Use of IT for secure and faster procedures**
- **Double encrypted question papers were sent in 15 subjects.**

Early Result Declaration: Class XII 2019 results were declared within 28 days from the completion of Class XII board examination. Similarly Class X 2019 results were also declared 23 days in advance as compared to class X 2018.

Two Levels of Mathematics exam in class X from 2020: To reduce overall stress levels of students, cater to different kinds of learners and allow different levels of testing, students were given the option to appear at Basic Level (Easier) exam or Standard level (Existing) meant for students who wished to opt for Mathematics at Senior Secondary Level while the syllabus and classes remained same.

Central Teacher Eligibility Test (CTET)

In accordance with the provisions of sub-section (1) of Section 23 of the RTE Act, the National Council for Teacher Education (NCTE) had laid down the minimum qualifications for a person to be eligible for appointment as a teacher in classes I to VIII. It had been inter alia provided that one of the essential qualifications for a person to be eligible for appointment as a teacher in any of the schools referred to in clause (n) of section 2 of the RTE Act is that he/ she should pass the Teacher Eligibility Test (TET).

12th Edition of Central Teacher Eligibility Test

The 12th edition of Central Teachers Eligibility Test (CTET) was conducted successfully on 07th July 2019 and Result was declared on 30th July 2019 in a record time of 23 days. 3.52 lacs candidates (2.15 from Paper-1 and 1.37 lacs from Paper-2) were declared as qualified.

Statistics of CTET July, 2019 Examination	
Date of Examination	07 th July, 2019
Candidates Registered	29,22,227
Candidates Appeared	23,77,031
Candidates Qualified	3,51,830
Cities	104
Number of Centres	2942
Number of City Coordinators	114
Number of Centre Superintendents	2942
Number of Observers	4335
Number of CBSE Officials	827

13th Edition of Central Teacher Eligibility Test (CTET)

Likewise the 13th edition of Central Teachers Eligibility Test (CTET) was conducted successfully on 08th December 2019 and the result was declared on 27th December 2019 in a record period of 19 days only. 17.50% candidates from Paper-1 and 29.73% from Paper-2 were declared as qualified.

Statistics for CTET December 2019 Examination	
Date of Examination	08 th December 2019
Candidates Registered	28,32,120
Candidates Appeared	24,05,145
Candidates Qualified	5,42,285
Passed %	22.55 %
Qualified Female candidates	3,12,558
Qualified Male candidates	2,29,718
Total Number of Cities	110
Number of City Coordinators	118
Total Number of examination centres	2,935
Total Number of Observers deployed	4,135
Total Number of Board Officials deployed	789

CTET Eligibility Certificate and Mark Sheets through Digi Locker

The Eligibility Certificates and Mark sheets of candidates for CTET examination held in July and December 2019 were made available through Digi Locker for easy access.

14th edition of Central Teacher Eligibility Test (CTET)

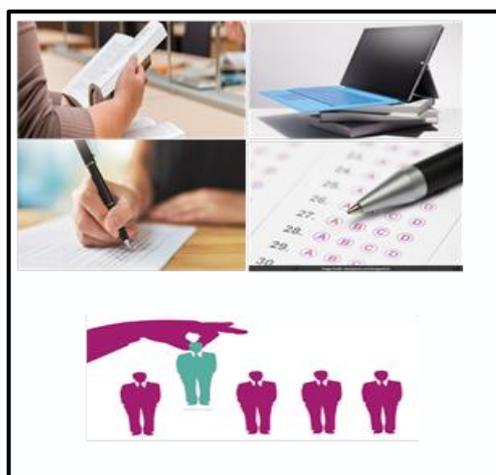

14th edition of Central Teacher Eligibility Test (CTET) is scheduled for 05th July 2020. This exam will be conducted in twenty languages in 112 cities all over the country.

Professional Examinations

CBSE conducts miscellaneous examinations that are either assigned to it by the Ministry or it takes such assignments as per the specific requests made various institutions from time to time. These tests are predominantly recruitment tests for departments like Kendriya Vidyalaya Sangathan, Navodaya Vidyalaya Samiti, NCTE, CTSA and similar other institutions. On the strength of its accumulated expertise and its robust examination management systems, Professional Examination (PE) Unit of the Board undertakes such projects as end-to-end solutions from configuration to design, to delivery and merit finalisation.

One Point Destination
For Miscellaneous Examinations

With its pool of experts, the Unit has the required expertise for developing effective methodologies and assessment instruments to assess domain knowledge, function specific aptitude and cognitive abilities of the candidates. Recruitment solutions are delivered in a customized manner so as to suit to the diverse needs of the govt. Institutions including multiple subjects and languages. The national level selection test for admission in class VI in the JNVs is also conducted by the PE Unit in two phases. In the year 2020, the Ministry of Education, Govt. of India has entrusted the CBSE for conduct of National Achievement Survey (NAS) by the PE Unit of the Board vide OM dated 18.02.2020.

JNVST: Navodaya Vidyalaya Selection Test

Admission in JNV is made on the basis of a written Test (JNVST). It is a Non-verbal, class-neutral test designed to ensure that talented children from rural areas are able to compete without facing any disadvantage. It is a Pen-paper OMR based test in 20 languages held in two phases. Nearly 25 lakhs candidates participate from about 5400 blocks. The test is held in more than 8500 examination centres.

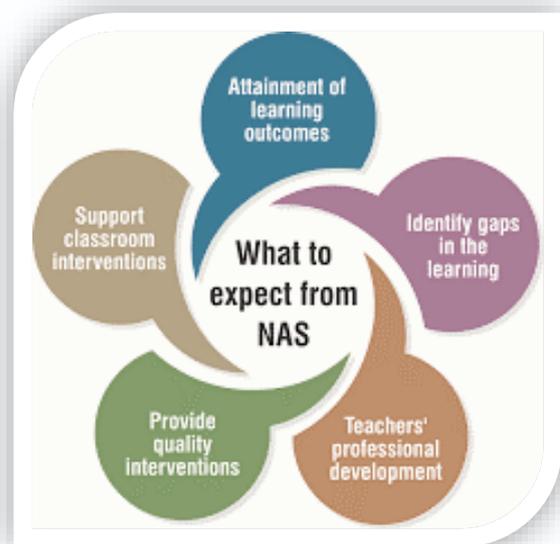

JNVST 2019	JNVST 2020
Held on 6 th April 2019 at 8514 centres covering 634 districts and 5387 Blocks. 2496428 candidates were registered. 1034 Custodians were engaged. Examination was conducted using OMR for the first time. The changes in exam pattern added to accuracy and early result leading to timely commencement of the academic session.	Held in two phases. 1 st Phase was held on 11 th Jan. 2020. A total of 8252 Exam. Centres were engaged covering 561 Districts and 4961 Blocks. 851 Custodians were engaged. 2426732 Candidates were registered. Results were declared and handed over to NVS. 2 nd Phase which was fixed on 11th April 2020 is on hold due to Covid-19. Fresh date will be announced by the NVS.

National Achievement Survey-2020

Ministry of HRD, DoSEL Govt. of India vide O.M. 19-4/2019-IS-8 dated 18.02.2020 has constituted a Steering Committee for conduct of NAS-2020. As per the said OM, The Board has been entrusted the responsibility of test administration of the NAS while the NCERT remains responsible for instrument development, test items, sampling etc. Funds would be released by the Ministry to the CBSE and the NCERT under Samagra Shiksha Scheme of the Government.

NAS: Project Summary & Role of CBSE

National Achievement Survey (NAS) is conducted in all the districts in the sampled schools involving agencies like NCERT, CBSE, MHRD, UNICEF, NITI Aayog etc. NAS assesses learning competencies of students at Grade III, V, VIII & X with a view to provide feedback and bring improvement in the learning levels. It helps relate the learning levels with the associated variables such as the personal and social context of the students, teacher personal and professional characteristics and the availability and utilization of the resources in the school. The analysis of the NAS findings helps formulate outcome based pedagogical interventions to improve learning. NAS 2020 is also seeking to provide input for comparison of improvement in performance from the baseline study of competencies in NAS 2017. Professional Examination Unit is handling this project which includes engagement of Observers, District Level Coordinators, Board Representatives, Custodians, Confidential processes, pan India conduct, logistics as well as training and capacity building for various functionaries.

The Ministry has already approved the estimate of ₹ 127.01 Cr for CBSE for conduct of NAS 2020.

Other Projects

- Recruitment 2020 for principals, Vice Principals and teaching staff for a central autonomous institution
- Recruitment of Principals, Teachers for an educational institution of a State Government
- Recruitment for State Police personnel
- Conduct of JNVST 2021 for admission into Class VI
- Conduct of JNVST 2021 for admission into Class IX

Recruitment & Limited Departmental Tests

Professional Exam Unit conducted recruitment test for about for about 10,000 vacancies in the Kendriya Vidyalaya Sangathan in the year 2018. The Unit also conducted Limited Departmental Competitive Examinations for NCTE and CTSA on 01.03.2020 for different posts. The examination was successfully conducted using integrated test booklets comprising of both objective as well as descriptive part for different skills and cognitive components. The process was completed in time and the results were handed over.

Mental Well Being: The CBSE Counselling Program

CBSE Counselling is an annual flagship program of the Board, which aims to facilitate different categories of secondary and senior secondary students at national and international level through free of cost pre and post exam counselling.

Traditional and advance modes of communications and outreach are adopted to achieve this very objective. CBSE started this pioneering community work 23rd years ago in 1998 by initially offering telephonic counselling, which now has expanded into different modes and verticals:

CBSE Counselling

Features:

- Psychological Tele-Counselling (In and Outside India)
- Generating mass awareness on Mental Health and Wellbeing through:
 - Audio Visual content
 - Podcasts
 - Memes
 - Rap Songs 
- Question-Answer Columns in leading national and international newspapers 
- Interactive Voice Response System

Interactive Voice Response System (IVRS)

Beginning from 2019, CBSE has been providing the facility of IVRS on a toll-free number. The students/parents/stakeholders can obtain pre-recorded useful information on tackling board exams which included tips for better preparation, time and stress management, FAQ's along with live tele-counselling services.

Counselling for Differently Abled Students

CBSE also arranges counselling facility for differently abled Students. Experts are available to attend to the queries throughout this period.

Counselling through Audio-Visual Presentations

Audio-visual presentations were provided on CBSE website on various topics relevant to students as well as parents like Aggression, Internet Addiction Disorder, Depression, Exam Anxiety, Specific Learning Disability, Substance Use Disorder, and Life Skills.

Podcasts

Podcasts and other support material for students, parents and the public were also created and made available. Queries of the students were responded favourably and quickly through e-mails of the Board.

Social Media Engagements: YouTube, Facebook and Instagram platforms were utilized for promoting healthy practices, sharing important messages and connecting with students in a proactive way. Tips and FAQs were also shared on these platforms for the benefit of the students.

Question-Answer Columns in Newspapers-CBSE experts answered queries of students through weekly question-Answer columns, which were published in major national newspapers in India and abroad during the month of February.

The New Language of Memes: A novel venture to engage with youth

CBSE engaged with students/parents in more interesting ways during X/XII exam 2019-20. In order to ease their exam anxiety and at the same time making them aware about time management , ethics of exams , 22 memes were created in house and posted on social media handles starting from 15.02.2020 which garnered overwhelming response from the students.

Memes: CBSE engaged with students/parents in interesting way during X/XII exam 2019-20. In order to ease their exam anxiety and at the same time making them aware about the exams and its important aspects, 22 memes on various topics were shared on social media which garnered good response from the students.

Instead of:	Say:
Dude, these are my favourite clothes	Only school uniform
Mera mobile, meri duniya	No mobiles at exam centre
Running late counts as exercise	No entry after 10 am
But this pouch goes with my style	Only transparent pouch
Oops! Forgot to take parent's autograph	Only fully signed admit cards

IN EXAMS ITS COMPULSORY TO WRITE IN PENS "BLUE"

BALLPOINTS OF ANY KIND OR GEL PENS WILL DO

NOW DON'T SAY LATER "I DIDN'T HAVE A CLUE"

ME:
TUJHEY BHULA DIYA
 OOOOO
PHIR KYOON TERI YADON NE
 OOOOO
MUJHEY RULA DIYA...

WIFI

MOM:
JITNA PREM WIFI SE HAI
UTNA APNI KITABON SE BHI KAR LO!

When you pull an all nighter and don't sleep before the exam
 Your brain during the exam:

TEACHER: HOW MANY SUPPLEMENTARY ANSWER SHEETS DO YOU WANT?

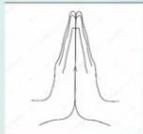

EK, DO, TEEN.... TERA KAROON GIN GIN KE INTEZAAR

MATHS PAPER: COMING SOON

Memes during Covid-19

**NAMASTE FROM CBSE
WE BOW TO THE LIGHT IN YOU**

**AND MAY YOUR HANDS
BE ALWAYS CLEAN
TO TOUCH YOUR FACE
BE NEVER KEEN
COUGH AND SNEEZE

CBSE releases its official rap song 'CBSE Exam Anthem'

Abhishek Choudhari | TNN | Updated: Mar 2, 2020, 18:36 IST

NAGPUR: After creating funny memes to connect with its young 'audience', CBSE has now expanded its creative boundaries by recording rap song about beat exam stress. The rap song is set to the tune and beat of a popular bollywood movie number and is a complete in-house CBSE production. The song is titled "CBSE Exam Anthem".

CBSE released the 'CBSE Exam Anthem' on Monday evening.

Lyrics were written by a small team at CBSE, which included even chairperson Anita Karwal who penned down a few stanzas. The song was sung and recorded by students of a Delhi Public School branch at the capital along with their staff members.

In Times of COVID-19; Handling the Unprecedented: The Lockdown Period

Additional Helpline-Due to the corona pandemic, CBSE started two additional Toll-Free Tele Helplines on CORONA VIRUS safeguards for students from 24th March 2020 up to 15.4.2020. **The dedicated corona virus safeguards tele-counselling service was provided by trained Counsellors who dealt with students/parents as well as general public and provided guidance on preventive care and counselled them about how to handle their fears and concerns.** This facility was available on the same Toll Free No 1800 11 8004 from 8 AM to 8 PM. The dedicated corona virus safeguard tele-counselling service was provided by additional trained Counsellors who dealt with students/parents for preventive interventions, reducing transmission and counsel on First Aid to stop Corona spread. They will also assist students to engage in useful and productive activities while at home.

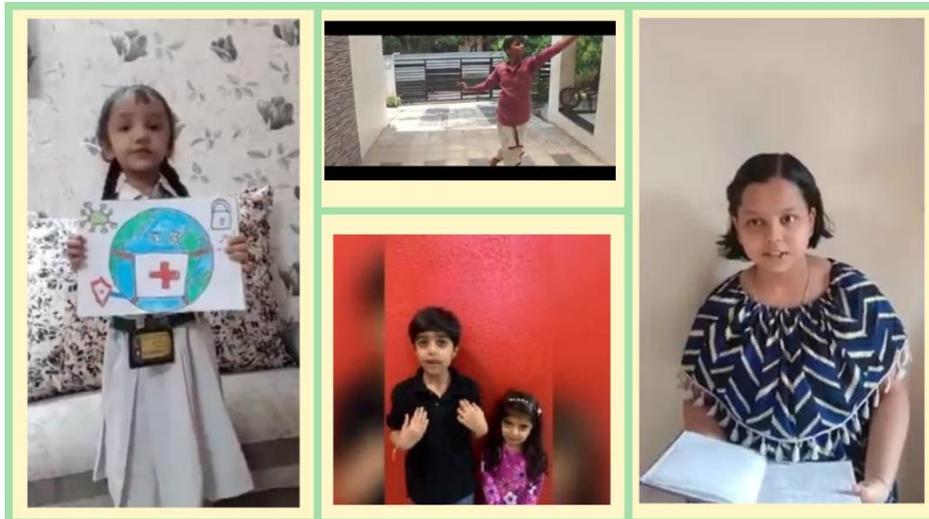

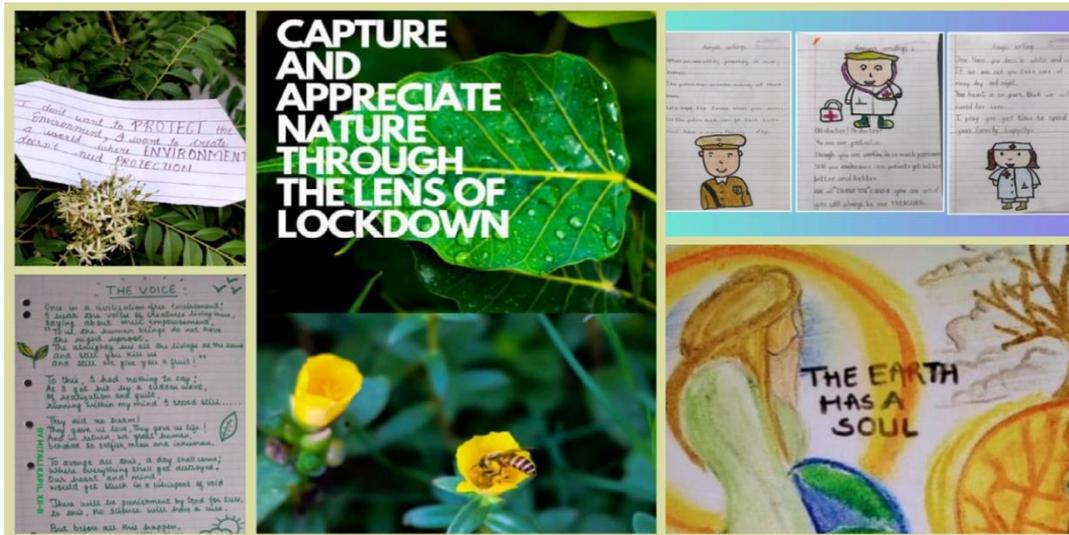

Special Assistance and psychological counselling to Hostel Students: CBSE also provided assistance and psychological counselling to 14000 students of boarding schools affiliated with the Board till 15th April 2020 by establishing contact with the residential schools and their school management. Tele- counselling numbers were informed to all schools and given to each child who had stayed back in hostel. All 16 RO's of CBSE were instructed to inform schools that the entire responsibility of the physical safety and health of students residing in school's boarding was that of school management and boarding management. RO's were asked to facilitate necessary assistance and support to schools in this regard, wherever required. One of the conditions for affiliation to CBSE is to have Counsellor in school, therefore, almost all schools of the board have in-house counsellors. Vide letter dated 04.04.2020, Principals of CBSE schools were advised that their school Counsellors should hold online counselling sessions.

Public Grievance Settlement under COVID Category

A special CORONA Category was made for grievances pertaining to COVID-19 and the Public Grievances as received under this special category were given top priority and the same were replied with favorably and expeditiously within 03 days.

Sharing Student Activities: The students from all affiliated schools were invited to send videos/pictures/ messages during Lockdown period. Some of videos reflecting creative thoughts and innate talent of students during Covid-19/ Lockdown were shared on social media for all

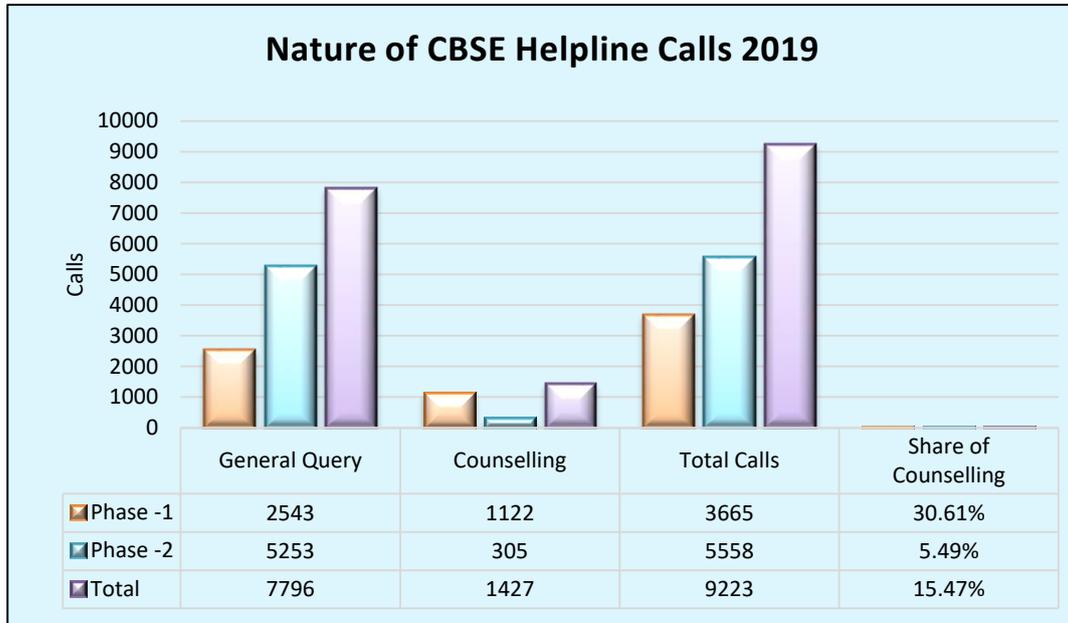

Awareness for Fit India Activities: To promote and ensure fitness activities during lockdown, CBSE supported and facilitated FIT India Activity during lockdown. As live sessions of Fit India activities were organised on daily basis, their posts were shared on social media for wider public awareness and participation/viewership.

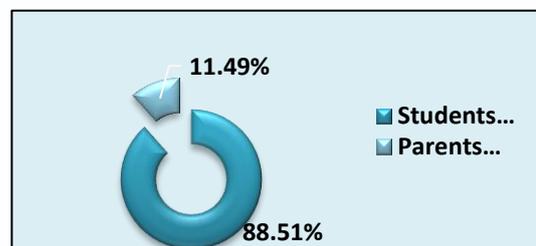

Analysis of Counselling 2019

During the report period (2019) online counselling was conducted through Centralized Call Centre in India where in 73 volunteer principals, counsellors ,special educators in the country and 22 across other countries provided free of cost services to the students and parents.

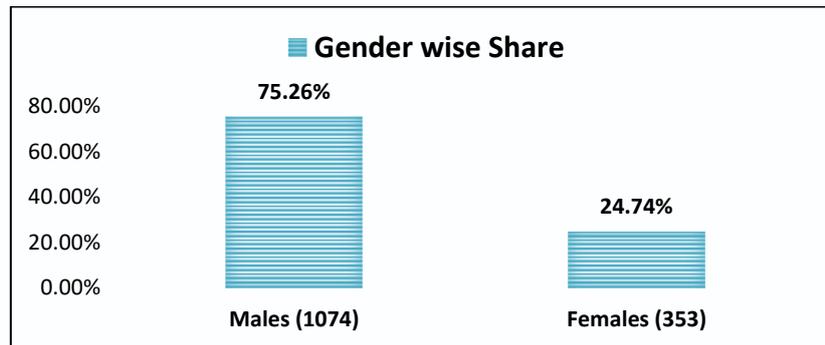

- As the IVRS was installed with pre-recorded any time, any where access to students, the need for live counselling was lesser as shown in the data.
- A total of 9223 calls were received in the two phases in 2019, only 1427 calls were counselling related.
- Coinciding with preparation and examination time, 15.47% of the total calls were transferred to the experts for educational and career counselling whereas rest of the calls were of general nature and handled by the operators.

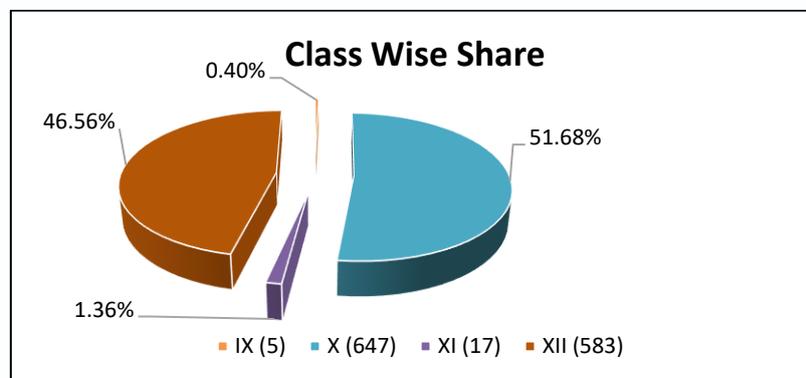

Out of total 1427 counselling calls, more calls were received from students than parents or guardians

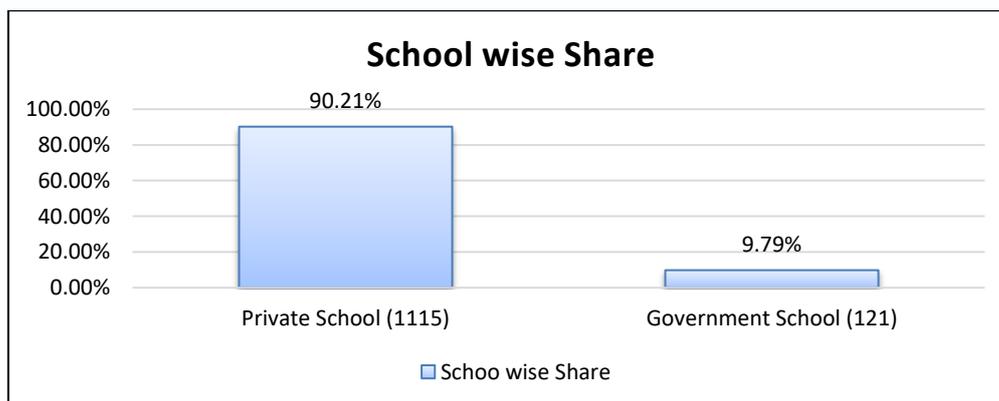

The number of male callers for counselling was more than female callers

Share of class students X was more than class XII

In terms of category of schools, students from Independent (Private) schools were more than those of Government schools

Public Responsiveness and Outreach

With the emergence of Social Media in recent times and growing public involvement and interest in this sphere, the Board has proactively created Social media Platforms on YouTube, Twitter, Facebook and Twitter perceiving its importance and utility for wider connectivity & communication with Board's stakeholders.

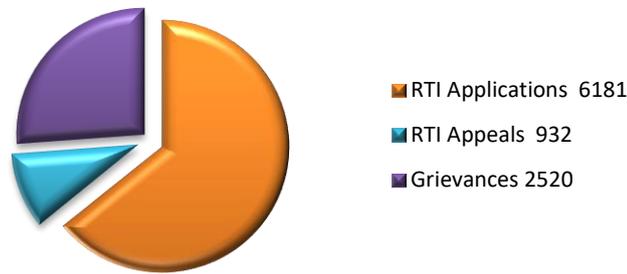

Social Media: Upsurge

CBSE social media handles have emerged as authentic sources of information for the public. During Lockdown period, there has been a remarkable increase in the number of followers and subscribers.

Monitoring of RTI and Public Grievances Redress

CBSE, in its drive for public facilitation, has aligned public grievance redress mechanism and information disclosure processes under RTI Act 2005 with online systems to ensure transparent and quick response. The Board proactively monitors and facilitates the online and offline RTI and public Grievance settlement.

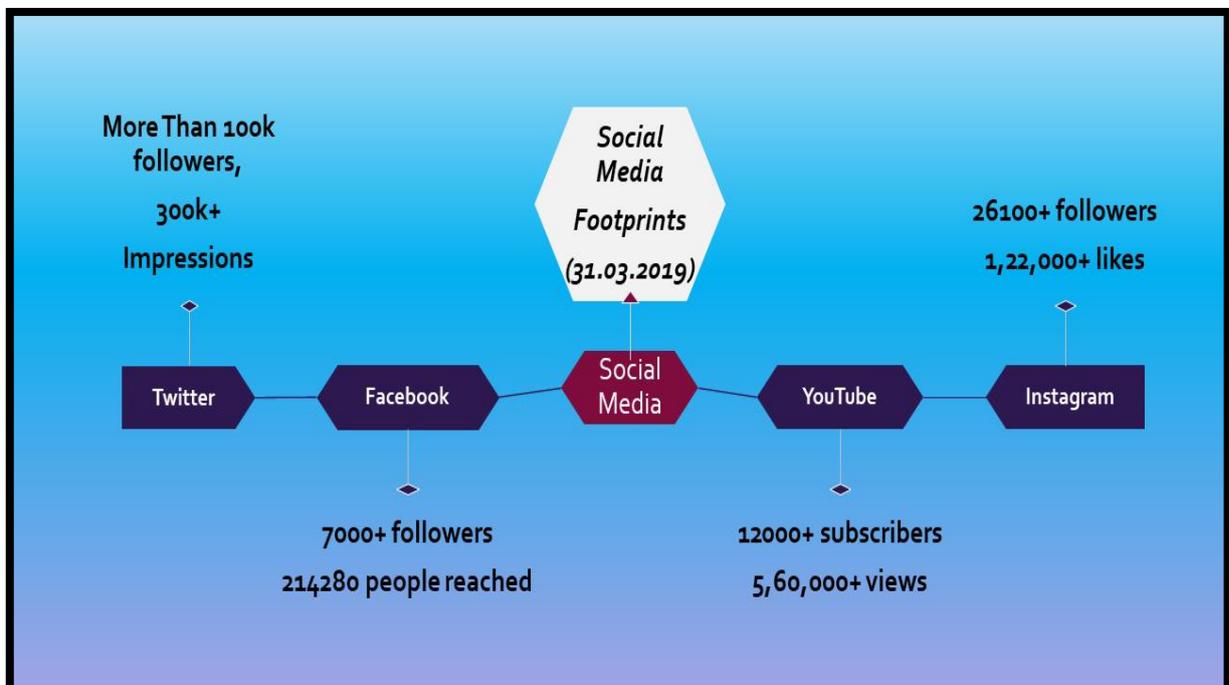

Total RTI and Grievances settled (April 2019 to March 2020)

Information and Publicity

- 68 Press notes, Public notices, Vacancy and Tender notices were prepared and released for larger audiences at regional, state, national and international level, to disseminate policies and programmes during the period under report.
- Approximately 43934 e-mail queries were promptly attended and satisfactorily replied. 1813 mails were also received from the public in appreciation of quick responses and solving the problems.

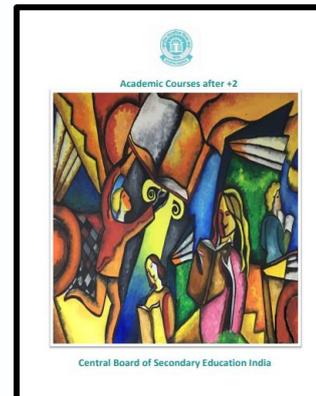

Public Outreach through Social Media Platforms

Other Initiatives and Achievements

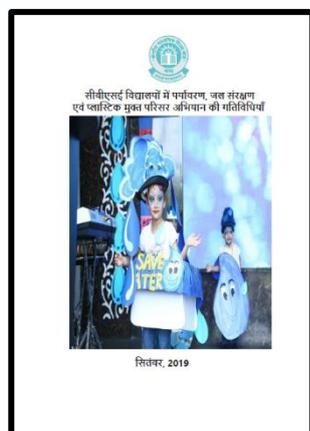

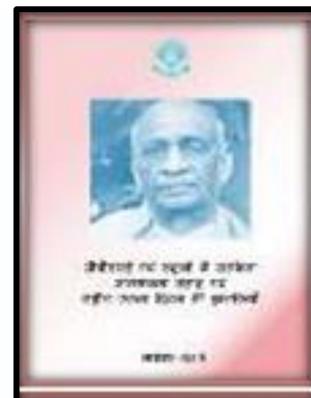

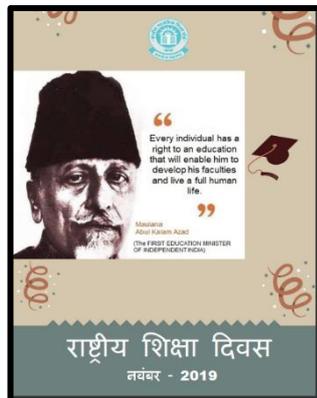

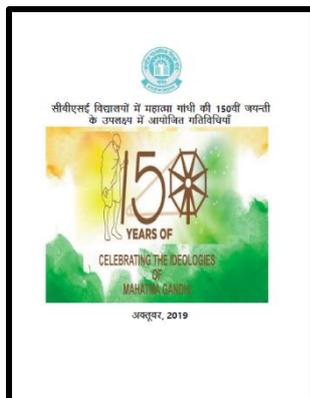

The CBSE Compendium of courses for Students

The compendium of courses after +2, is an earnest effort of the board to facilitate students while scouting for right course choices. Though it may not be as comprehensive considering that there are an estimated 900 universities and over 41,000 colleges in the country providing higher education and teaching a plethora of subjects, care has been taken to provide information, in brief, about the traditional, popular and new age courses.

School Awareness Programmes and Theme-based Publications

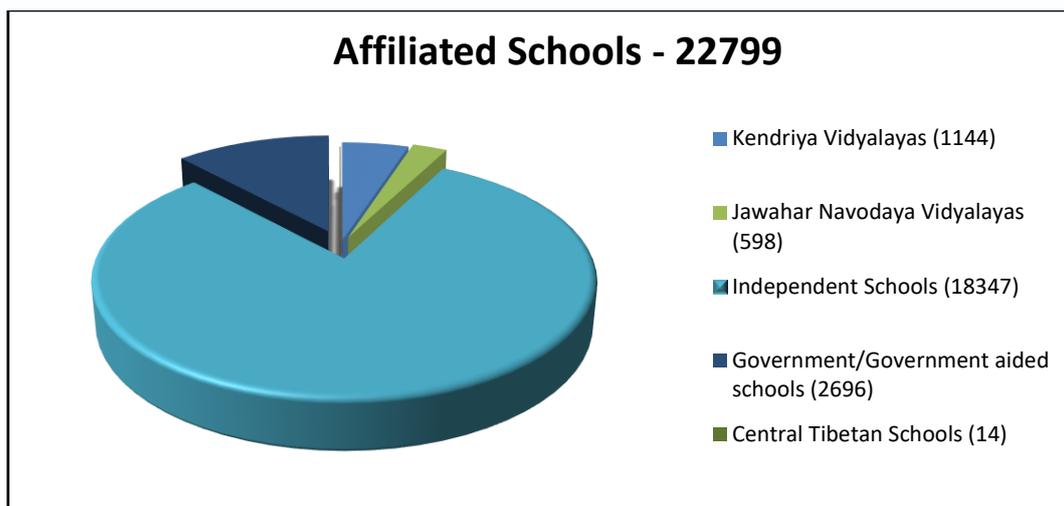

CBSE is constantly participating and committed to bring awareness among students/schools about many national goals and objectives foremost among them being Environmental protection, ban on one time use of plastic, tree plantation, Gandhiji's ideals, Fit India, Vigilance Awareness & National Integrity, National Education Day.

Affiliation

One of the main functions of CBSE is to affiliate schools for Secondary and Senior Secondary School Examinations. The schools are granted affiliation according to the

The Board has established its presence in 26 countries through 238 schools, 235 are of these are private schools and 3 are Kendriya Vidyalayas. The CBSE is the only school Board in India with such a vast international presence.

Events and Programs

Celebrating 90 years of CBSE

The year 2019 was special as it marked the completion of 90 years of CBSE and 25 years of Sahodaya School Complexes. CBSE organized the 25th edition of the National Conference in collaboration with the Sahodaya School Complexes of Delhi and NCR on 1st and 2nd November 2019 at Vigyan Bhawan, New Delhi on the theme 'Nai Taleem – For a Sustainable Future'.

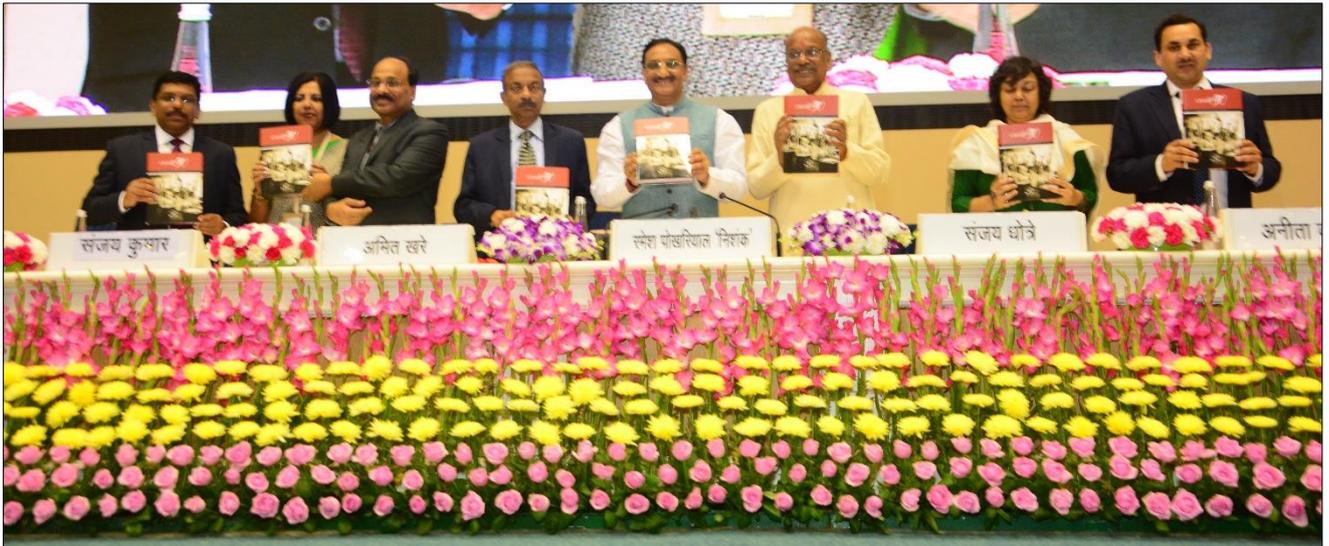

Celebrating 90 years of CBSE and 25th year of Sahodaya School Complexes

The conference was inaugurated by the then Chairperson, CBSE Smt. Anita Karwal, IAS and Professor Govinda, Former Vice Chancellor, NUEPA. Hon'ble Minister of Human Resource Development, Sh. Ramesh Pokhriyal 'Nishank' was the chief guest of the conference. The Minister of State for Human Resource Development, Sh. Sanjay Dhotre, was the distinguished guest. Sh. Amit Khare, the then Secretary, Department of School Education and Literacy, MHRD was the guest of honour. Sh. Sanjay Kumar, Joint Secretary, Department of School Education and Literacy also graced the occasion. With participation of around 1200 participants from across the country, the Conference saw Principals keen to understand Nai Taleem and other innovative practices which can make our future sustainable.

Over the two days, many eminent speakers enthralled the audience with their thought provoking ideas for formulating an effective plan of action for imparting education for sustainable future. Sessions on *experiential learning, arts and sports in education, 21st century skills and core competencies, environment conservation* were spread over two days.

On this occasion, CBSE memoir titled CBSE@90, Handbook for Teachers, Handbook for Students, and a Book of Essays were also released. The conference concluded with recommendations like making personalized competency based learning central to teaching learning process, integration of arts, sports, life skills and values with the pedagogy to make teaching learning process more joyful, evolving schools as anger free zones, conservation of environment, implementation of well-structured mental health programmes and many more.

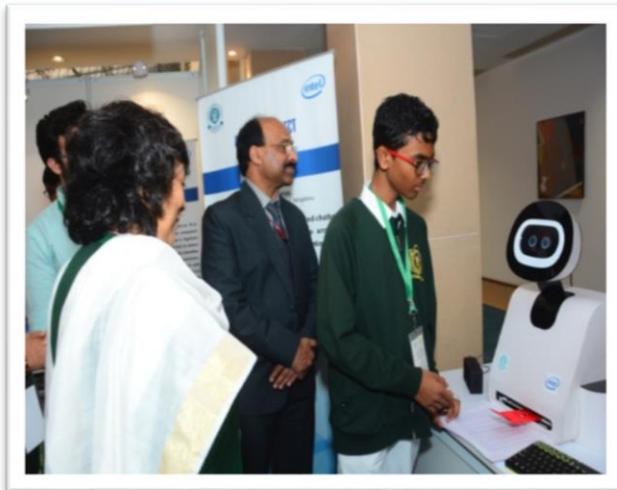

Sharing of Best Practices

The best practices, projects on Artificial Intelligence and teaching aids were exhibited during Annual Conference of Sahodaya School Complexes 2019.

Glimpses

Celebration of 90th Foundation day of CBSE

Various programmes and activities were organised on the eve of 90th Foundation day of CBSE. Sports like Cricket, Volley Ball, Swimming, Table Tennis, Badminton, Chess, Carom other activities like Poster making, Poem Recitation, Quiz Programme, Sarwa Dharma Prathna, Health Check-up etc. were organized.

Celebration of 90th Foundation day of CBSE

Celebration of 90th Foundation day of CBSE

Gun Gaurav Samman Samaroh 2019

The programme is an acknowledgement of the consistent effort and merit of the students who have demonstrated their perseverance to overcome hurdles in achieving high academic performance even in adverse conditions for some of these students.

The 4th Gunn Gaurav Samman Samaroh- was organized in the capital on 22nd May 2019 under the aegis of MHRD. The then Union Minister of Human Resource Development, Shri Prakash Javadekar felicitated 75 students of class XII who topped in CBSE examinations in different categories.

Out of 75 awardees, there were 15 Overall Toppers, 08 students from Delhi Government Schools, 05 from JNV, 05 from Kendriya Vidyalaya, 18 students under SC&ST category, 09 students under Children with Special Needs Categories and 15 students belonging to the lower income Group.

(Late) Sh. Lakshman Singh Kothari Memorial Award

(Late) Sh. Lakshman Singh Kothari Memorial Award for the year 2019 was presented on 20th May 2019 to Hansika Shukla & Karishma Arora. A Merit Certificate, a cash prize of ₹10,000/- and rolling trophy was also presented in the presence of Shri Sanjay Kothari, IAS (Chief Guest), Shri Anurag Tripathi, Secretary CBSE and several other dignitaries.

CBSE Teachers Award

The CBSE instituted 'Teachers Award' under the aegis of the Ministry of Human Resource Development in the year 2000 to express gratitude and respect for the services of outstanding teachers of affiliated schools. Each award consists of a merit certificate, a shawl and an amount of ₹50,000/-.

The Board felicitated 34 CBSE Teacher Awardees 2018 at an award ceremony at **Pravasi Bharatiya Kendra, Delhi** on **12th September 2019**. The Teachers and Principals were felicitated for their contribution in the field of education and innovations in classroom teaching. These awardees were selected on the basis of pre-defined criteria by the National Level Scrutiny Committees and National Level Screening formed by the Board.

This year 34 teachers and Principals from CBSE affiliated schools were felicitated by the Honourable HRD Minister Ramesh Pokhriyal 'Nishank'.

The felicitation ceremony was held in the gracious presence of Shri Sanjay Dhotre, Minister of State for HRD, Smt. Anita Karwal, Chairperson CBSE, Sh. Anurag Tripathi, Secretary, CBSE and other distinguished dignitaries from NVS, KVS and schools affiliated to the Board.

VIDYADAN: The HRD Minister Shri Ramesh Pokhriyal 'Nishank' also launched CBSE's portal 'Vidyadan' on Diksha App, a Digital Infrastructure for Knowledge Sharing's (National Forum for Teachers) and released CBSE's annual activity calendar.

Apart from this, **10 CBSE Manuals** on various subjects like Art Integration, Experiential learning, Enjoyable teaching and learning of maths, New initiatives, School quality assessment and assurance, Compendium of Academic courses after 10+2, Artificial intelligence, Hubs of learning and Eco-club and water conservation were also released by Hon'ble Ministers.

128th Birth Anniversary of Dr. Bhimrao Ambedkar

To mark the birthday of Dr. Babasaheb Ambedkar, an Indian jurist, politician, philosopher, anthropologist, historian and economist who was also the principal architect of the Constitution of India, the 128th Birth Anniversary of Dr. B. R. Ambedkar was celebrated on 15th April 2019.

150th Birth Anniversary of Mahatma Gandhi

The year 2019 marked 150th Birth Anniversary of Mahatma Gandhi who was born on 02.10.1869 and is remembered for his life, struggles and ideals for humanity. To commemorate the 150th birth anniversary of Mahatma Gandhi, various activities were organized regularly by CBSE since November 2018, including the screening of the Oscar-winning film "Gandhi", poetry recitation competitions, "Discussion on the Nai Talim", discussions on writings by and on Gandhi and his life-ideals. In continuation to these programs, inspired by the life and works of Mahatma Gandhi, various initiatives and programs were organized such as Program on Use of Khadi, All Faith Prayer, Discussion on 'Nai Talim', Discussion on Moral Values, Discussion on Water Conservation, Cleanliness Campaign, Plantation and Jute Bag Distribution. During the programs organized at the Board offices, all officers and staff members collectively shared ideas and ideals of Gandhiji's on education, truth, non-violence, khadi experiment, cleanliness, satyagraha, untouchability curse etc. and shown their commitment to follow the noble ideals of Gandhiji for personal and social development. All officers and employees enthusiastically participated in all the organized events and sanitation activities carried out in the CBSE premises across India.

Celebrations of 150th Birth Anniversary of Mahatma Gandhi

Inauguration of the Integrated New Office Complex of CBSE

In order to maintain better coordination among the various units of the Board in Delhi and increasing number of CBSE affiliated schools, the Board had proposed to create an integrated office complex in Dwarka, Delhi. **The Honorable Human Resource Development Minister Shri Ramesh Pokhriyal 'Nishank' laid the foundation stone of the new integrated campus of CBSE on 11th October 2019.** The proposed campus building will be a state-of-the-art structure fulfilling the green building norms. It will also have efficient building management system that will facilitate energy conservation.

Vigilance Awareness Week 2019

To create more awareness in public life, Vigilance Awareness Week was organized in all CBSE offices and schools from October 28, 2019 to November 2, 2019. Various competitions such as Essay Writing, Slogan Writing Speeches, were organized at CBSE (HQ) Delhi, Regional Offices and at Centres of Excellence for Teachers. The employees were encouraged to take “**e-Integrity Pledge**” through CBSE and CVC website. For inculcating greater awareness on vigilance in public life, schools were advised to conduct different activities reflecting the theme.
